EXIN PRINCE2 7 Foundation written Exam Sample Questions (Q455-Q460):

NEW QUESTION # 455

Which is a purpose of the Directing a Project process?

- A. Delegate day-to-day management of the project to the Project Manager
- B. Control the day-to-day running of the project
- C. Create and authorize the project mandate
- D. Ensure that work on products allocated to the team is authorized and agreed

Answer: A

Explanation:

The purpose of the Directing a Project process is for the Project Board to delegate the day-to-day management of the project to the Project Manager, providing the overall direction and management of the project lifecycle.

This process is critical for enabling the Project Manager to run the project on behalf of the Project Board within the constraints set out by them. References: PRINCE2 Foundation official documentation and study materials.

NEW QUESTION # 456

Which describes a time-driven control?

- A. The expected frequency of progress reports specified in a work package
- B. The expected dates for planned checks of specialist products included in a stage plan
- C. The dates for the project's end stage assessment included in the project plan
- D. The planned exception assessment meeting to authorize a requested exception plan

Answer: A

Explanation:

A time-driven control is defined as a monitoring system that is based on a fixed time interval, such as weekly or monthly progress reports. The expected frequency of progress reports specified in a work package represents a time-driven control, where updates are required at predefined intervals irrespective of the state of the project at those times.
