Our 1z0-1042-24 study materials are the hard-won fruit of our experts with their unswerving efforts in designing products and choosing test questions. Pass rate is what we care for preparing for an examination, which is the final goal of our 1z0-1042-24 study materials. According to the feedback of our users, we have the pass rate of 99%, which is equal to 100% in some sense. The high quality of our products also embodies in its short-time learning. You are only supposed to practice 1z0-1042-24 Study Materials for about 20 to 30 hours before you are fully equipped to take part in the examination.

Oracle 1z0-1042-24 Exam Syllabus Topics:

Topic	Details
Topic 1	Testing, Monitoring, and Troubleshooting Integrations: This section assesses candidates abilities in testing, monitoring, and troubleshooting integrations within the OIC.
Topic 2	Creating Orchestrated Integrations: This part of the exam evaluates the candidate's skills in creating and managing orchestrated integrations using OIC. Candidates should be able to manage OIC lookups, use the OIC Data Mapper, and incorporate custom JavaScript libraries into their integrations.

Topic 3	Using OIC Connections & Adapters: Candidates must demonstrate their ability to create and configure OIC connections, including trigger and invoke connections. They should be familiar with the Connectivity Agent, which facilitates on-premises connectivity to OIC services.
Topic 4	Getting Started with OIC Integrations: This section tests the ability of IT professionals and integration specialists to understand the fundamental components and concepts of Oracle Integration Cloud (OIC). Candidates are expected to describe the key features of OIC integration and explain core integration concepts.
Topic 5	Creating Scheduled Integrations: In this section of the exam, candidates are evaluated based on their skills in managing scheduled integrations. This includes converting scheduled integrations to app-driven integrations and understanding the scheduling options within the OIC.

Oracle 1z0-1042-24 Valid Study Questions - Reliable 1z0-1042-24 Mock Test

As we all know, the influence of 1z0-1042-24 exam guides even have been extended to all professions and trades in recent years. Passing the 1z0-1042-24 exam is not only for obtaining a paper certification, but also for a proof of your ability. Most people regard Oracle certification as a threshold in this industry, therefore, for your convenience, we are fully equipped with a professional team with specialized experts to study and design the most applicable 1z0-1042-24 Exam prepare. We have organized a team to research and study question patterns pointing towards various learners.

Oracle Cloud Infrastructure 2024 Application Integration Professional Sample Questions (Q74-Q79):

NEW QUESTION # 74

You need to create an Oracle Integration Cloud (OIC) integration that processes many records individually that are contained within a large file. You have been advised to use an implementation approach that uses the Download File operation of an FTP adapter in conjunction with the Stage File Action Read File in Segments operation to mitigate issues with memory consumption. When using this approach, which is a valid consideration regarding the use of the Read File in Segments operation?

- A. You must provide the actual filename because file references cannot be processed by the Read File in Segments operation.
- B. The Read File in Segments operation allows you to process the segments sequentially or in parallel.
- C. Segment sizes default to 50 records but can be configured to any other segment size.
- D. You need to explicitly configure a Scope action for this operation if you want to add additional actions during the processing of each segment.

Answer: D

Explanation:

Comprehensive and Detailed Explanation:

Segmented File Processing:

* C:True-Scope is required for per-segment actions.

NEW QUESTION # 75

Which adapter is NOT provided in the Oracle Cloud Adapter Pack bundled with the Oracle SOA Cloud service?

- A. Salesforce Adapter
- B. Oracle ERP Cloud Adapter
- C. SuccessFactors Adapter
- D. Oracle E-Business Suite Adapter

Answer: D

Explanation:

The Oracle E-Business Suite Adapter is not part of the Oracle Cloud Adapter Pack, as it's typically used for on-premises integrations rather than cloud-based services. The other adapters are cloud-focused and bundled with the SOA Cloud service.

NEW QUESTION # 76

Which of the following is NOT a capability of the Oracle Integration (OIC) REST Adapter when configured to consume external REST APIs?

- A. Supports JSON, XML, binary, and URL-form-encoded payloads
- B. Consumes REST APIs protected using OAuth Client Credentials
- C. Supports WebSocket connections for real-time communication
- D. Supports asynchronous REST API invocations with callback URLs

Answer: C

Explanation:

Comprehensive and Detailed Explanation:

REST Adapter:

* D:False-no WebSocket support.

NEW QUESTION # 77

Which operation is NOT supported by an Oracle Integration (OIC) Connection resource configured with the FTP Adapter?

- A. List Files
- B. Read File
- C. Read File in Segments
- D. Delete File
- E. Write File

Answer: C

Explanation:

Comprehensive and Detailed Explanation:

FTP Adapter:

* E:False-Trigger role only, not standard Invoke.

NEW QUESTION # 78

As an integration developer, you are implementing an integration in Oracle Integration (OIC) to transform a payload with multiple orders. You have decided to leverage the For Each action to loop through each order and process them individually. How do you configure the For Each action to support this scenario?

- A. Select the Sequential Processing option and set the number of threads to the number of orders.
- B. Select the Repeating Element field and map the source element that contains the orders.
- C. Select the Group By option separating the orders by their order number.
- D. Select the Parallel Processing option and set the number of threads to the number of orders.

Answer: B

Explanation:

Comprehensive and Detailed Explanation:

For Each:

* C:True-map repeating element for iteration.

NEW QUESTION # 79

.....

When you are studying for the 1z0-1042-24 exam, maybe you are busy to go to work, for your family and so on. Time is precious
