Juniper JN0-232 Test Simulator - Actual JN0-232 Test

Our JN0-232 learning materials will aim at helping every people fight for the JN0-232 certificate and help develop new skills. If we want to survive in this competitive world, we need a comprehensive development plan to adapt to the requirement of modern enterprises. We sincerely recommend our JN0-232 Preparation exam for our years' dedication and quality assurance will give you a helping hand. You can just free download the free demo of our JN0-232 study materials to know how excellent our JN0-232 exam questions are.

Juniper Security, Associate (JNCIA-SEC) Sample Questions (Q52-Q57):

NEW QUESTION # 52
Click the Exhibit button.

Which two statements are correct about the content filter shown in the exhibit? (Choose two.)

- A. .exe files will not be allowed to be uploaded over HTTP.
- B. .exe files will not be allowed to be downloaded over HTTP.

- C. There will be a notice added to the SRX log file about the file being blocked.
- D. There will be an e-mail sent to the user about why the SRX is blocking the file.

Answer: B,C

Explanation:
From the exhibit, the content filter configuration is as follows:
* Match Conditions:
* Application:HTTP
* Direction:download
* File-types:exe
* Action:
* block
* notification log
Analysis of Options:
* Option A: Incorrect. The configuration specifies thedownload direction, not upload. Uploads of .exe files are unaffected.
* Option B: Correct. Because the rule applies todownloads, .exe files will be blocked when users attempt to download themover HTTP.
* Option C: Correct. The notification { log; } statement ensures that an entry will be added to the SRX device's log when the action is triggered.
* Option D: Incorrect. No configuration for sending e-mail notifications is shown in the rule. Only logging is specified.
Correct Statements:B and C
Reference:Juniper Networks -UTM Content Filtering Configuration and Actions, Junos OS Security Fundamentals, Official Course Guide.

NEW QUESTION # 53
Which security policy action will cause traffic to drop and a message to be sent to the source?

- A. permit
- B. reject
- C. next-policy
- D. deny

Answer: B

Explanation:
Security policies on SRX support several actions:
* Permit:Allows traffic to pass according to the rule.
* Deny:Silently drops the traffic without notifying the source.
* Reject:Drops the trafficand sends a TCP RST (for TCP) or ICMP unreachable (for UDP/other protocols)back to the source. This provides feedback to the sending host.
* Next-policy:Allows policy chaining to evaluate the next policy set.
Therefore, the action that causes traffic to drop and a message to be sent to the source isreject.
Reference:Juniper Networks -Security Policy Actions, Junos OS Security Fundamentals.

NEW QUESTION # 54
Which two criteria would be used for matching in security policies? (Choose two.)

- A. applications
- B. MAC address
- C. interface name
- D. source address

Answer: A,D

Explanation:
Security policies in Junos OS match traffic based on specific criteria:
* Source and destination addresses(Option B).
* Application(Option D), which may be defined as services (e.g., tcp/80) or recognized through AppID.

Other options:
* MAC addresses(Option A) are not used in policy matching; policies operate at Layer 3/4.
* Interface name(Option C) is used in firewall filters, not in security policy definitions.
Correct Criteria:Source address and Applications
Reference:Juniper Networks -Security Policy Match Conditions, Junos OS Security Fundamentals.

NEW QUESTION # 55
Click the Exhibit button.

Which type of policy is shown in the exhibit?

- A. intra-zone policy
- B. default policy
- C. inter-zone policy
- D. global policy

Answer: A

Explanation:
From the exhibit configuration:
[edit security policies from-zone Trust to-zone Trust]
policy allow-all {
match {
source-address any;
destination-address any;
application any;
}
then {
permit;
}
}
* Thefrom-zoneandto-zoneare both set toTrust # Trust.
* This means the policy is governing trafficwithin the same zone.
* Policies within the same zone are calledintra-zone policies.
Analysis of options:
* Global policy (A):Applied universally across zones, not zone-specific. Not the case here.
* Inter-zone policy (B):Applies between twodifferentzones (e.g., Trust # Untrust). Not the case here since both zones are Trust.
* Intra-zone policy (C):Correct. Applies to traffic within the same zone (Trust # Trust).
* Default policy (D):The implicit deny-all policy that applies when no policy matches. Not shown in this exhibit.
Correct Policy Type:Intra-zone policy
Reference:Juniper Networks -Security Policy Types (Inter-zone, Intra-zone, and Global), Junos OS Security Fundamentals.

NEW QUESTION # 56
Which UI enables you to manage, monitor, and maintain multiple firewalls using a single interface?

- A. Security Director
- B. Juniper Secure Analytics
- C. Juniper Identity Management Service
- D. Secure Connect

Answer: A

Explanation:
* Security Director (Option B):A Junos Space application that provides a centralized interface for managing, monitoring, and maintaining multiple SRX firewalls.
* Juniper Secure Analytics (Option A):Focuses on SIEM/log analysis, not centralized firewall management.
* Identity Management Service (Option C):Provides user identity integration for policy enforcement, not a management UI.
* Secure Connect (Option D):A VPN client solution, not a firewall management platform.
Correct UI:Security Director
Reference:Juniper Networks -Junos Space Security Director Overview, Junos OS Security Fundamentals.

In today's global market, tens of thousands of companies and business people are involved in this line of JN0-232 exam. It is of utmost importance to inquire into the status of exam candidates' wills to figure out what are the JN0-232 practice materials you really needed. According to your requirements we made our JN0-232 Study Materials for your information, and for our pass rate of the JN0-232 exam questions is high as 98% to 100%, we can claim that you will pass the exam for sure.

JN0-232 Test Simulator: https://www.vcedumps.com/JN0-232-examcollection.html

In addition, one year free update is available for you after purchase, which means you will keep your JN0-232 Pass4sures study guide update all the time in the year, Security, Associate (JNCIA-SEC) JN0-232 practice test software always keeps track of previous JN0-232 practice exam attempts and shows the changes and improvements in every attempt, VCEDumps offers real exam scenario for JN0-232 exam.

When all are ready, they turn the state card JN0-232 face up, Be unable to move the extremities, In addition, one year free update is available for you after purchase, which means you will keep your JN0-232 Pass4sures study guide update all the time in the year.

Marvelous JN0-232 Printable PDF Covers the Entire Syllabus of JN0-232

Security, Associate (JNCIA-SEC) JN0-232 practice test software always keeps track of previous JN0-232 practice exam attempts and shows the changes and improvements in every attempt.
