Answer: C

NEW QUESTION # 232

What factors should be considered when selecting the appropriate sender of a message?

- A. The purpose of communication, desired results, reputation with audience members, and shared culture and background with the audience.
- B. The sender's job title, office location, years of experience, and favorite communication channel.
- C. The sender's preference for formal or informal communication and their ability to respond appropriately to feedback.
- D. The sender's fluency in the language of the needed communication, cultural background, and comfort in communicating with the target audience.

Answer: A

NEW QUESTION # 233

Which of the following reflects what the learner will be able to do after a learning activity?

- A. Learning Content
- B. Learning Assessment
- C. Learning Outcome
- D. Learning Objective

Answer: C

Explanation:

A Learning Outcome specifies what the learner will be able to do or demonstrate after completing a learning activity.

* Definition of Learning Outcome:

* Focuses on measurable skills, knowledge, or behaviors acquired through the activity.

* Example: "Employees will be able to identify and report potential compliance violations."

* Why Other Options Are Incorrect:

- * A: Learning assessment measures whether outcomes have been achieved but does not define the outcome itself.
- * B: Learning objectives outline goals but do not indicate what is achieved after the activity.
- * C: Learning content refers to the materials used during the activity, not the result.

References:

- * Bloom's Taxonomy: Emphasizes outcomes as measurable achievements.
- * Corporate Training Models: Highlight outcomes as the focus of training evaluations.
