BICSI Registered Communications Distribution Designer - RCDD v15 Sample Questions (Q261-Q266):

NEW QUESTION # 261

A program manager recognizes that a successful resource being used in project A could also be used in project B. What should the program manager do first to leverage the utilization of this resource?

- A. Reassign the resource to project B after project A ends

- B. Assign project A's resource to project B
- **C. Prioritize the resource to optimize their use across both projects A and B**
- D. Mitigate risk by leveraging other resources in project A

Answer: C

NEW QUESTION # 262

An unforeseen geopolitical risk impacts a program to establish a company's operations abroad. Stakeholders now want to establish a risk response team to define a mitigation plan. Ultimately what appeared to be a significant risk resulted in a negligible risk. What should the program manager recommend to stakeholders for future similar situations?

- A. Establish an on-call risk response team
- **B. Review the risk severity matrix**
- C. Accept the risk
- D. Seek an expert opinion

Answer: B

NEW QUESTION # 263

A newly appointed country manager suggests that the regional program manager use a social media platform to expedite communications and address questions. The new country manager used this social media platform at a previous job. What should the regional program manager do to address the country manager's request?

- A. Suggest that the country manager use the existing communication channels while the team becomes familiar with the new social media platform
- B. Ask the country manager to champion the social media platform, as they may have more influence than the regional program manager
- **C. Ask the technology, security, and project teams to assess the country manager's request.**
- D. Review existing in-house social media capabilities to determine if they will meet the needs of the country manager's request and update the stakeholder register

Answer: C

NEW QUESTION # 264

A program manager has a multiple-project program that is scheduled to be completed by year's end. During the program delivery phases of the project several mandatory changes are identified that would extend the program's completion date. What is the next step for the program manager?

- A. Update the schedule to reflect the extended completion date
- B. Apply resource leveling to ensure the program is completed on schedule
- **C. Submit a change request to extend the program schedule**
- D. Adjust working hours to ensure the program is completed on schedule

Answer: C

NEW QUESTION # 265
