Misrepresenting pertinent policy provisions relating to coverages after a loss is:

- A. A concealment in insurance applications
- **B. An unfair claim settlement practice**
- C. A violation of the principle of adhesion
- D. An unfair discrimination between individuals

Answer: B

Explanation:

Misrepresenting coverage post-loss (Insurance Article, § 27-303) is an unfair claims practice, deceiving claimants about benefits. Concealment applies pre-policy, discrimination involves unequal treatment, and adhesion relates to contract terms, not claims. References: Maryland Insurance Article, § 27-303; MIA claims practices.

NEW QUESTION # 57

Pre-existing conditions include conditions of health that:

- **A. Have been medically treated or diagnosed prior to the effective date of coverage**
- B. Must exist before an applicant can be accepted by an insurer
- C. Are never insurable under any circumstances or degree of severity
- D. Develop after the effective date of the policy but before the expiration of the time limit on certain defenses

Answer: A

Explanation:

Pre-existing conditions (Insurance Article, § 15-109) are those treated or diagnosed before coverage begins, often subject to exclusions or waiting periods, unlike new conditions or uninsurable absolutes. References: Maryland Insurance Article, § 15-109; MIA pre-existing condition rules.

NEW QUESTION # 58

An insurance producer provided several examples to the applicant persuasively demonstrating that the insurance coverage offered under his company's policy was superior to a competitor's product. The insurance producer knew he was misrepresenting or stretching the truth in order to induce the applicant to forfeit her current policy and purchase a similar but inferior insurance policy from him. The insurance producer is involved in which one of the following unfair trade practices?

- A. Fraud
- B. Rebating
- C. Discrimination
- **D. Twisting**

Answer: D

Explanation:

Twisting (Insurance Article, § 27-203) involves misrepresenting policy benefits to induce replacement with an inferior product. Fraud is broader, discrimination isn't relevant, and rebating offers financial inducements, not misrepresentation. References: Maryland Insurance Article, § 27-203; MIA trade practice rules.

NEW QUESTION # 59

All of the following are true of insurance EXCEPT:

- A. It eliminates risk
- B. It transfers risk
- C. It is a means of sharing losses
- D. It protects against uncertainty

Answer: A

Explanation:

References: Maryland Insurance Article, § 1-101; MIA insurance basics.

- B. It must be stated as such on an accident and health insurance application
- C. It may result in a denial of a disability income claim
- D. It results in a substandard rating on an accident and health insurance policy

Answer: C
