NEW QUESTION # 67

Who decides the Team PI Objective Business Value scoring after negotiation?

- A. Product Management
- B. The Agile Team
- **C. Business Owner**
- D. The RTE

Answer: C

Explanation:

Explanation

The business owner is the person who decides the team PI objective business value scoring after negotiation.

The business owner is a key stakeholder who has the primary business and technical responsibility for governance, compliance, and return on investment (ROI) for a specific value stream. The business owner participates in the PI planning event and assigns business value points to each team PI objective based on their alignment with the program vision and objectives. The business owner also reviews and approves the final plan and value scores after the team and program risks are resolved. References: PI Planning, Business Owners

NEW QUESTION # 68

What is the focus of Lean Thinking?

- A. Reducing delays
- B. Ensuring respect for people and culture
- C. Implementing objective measures of progress
- D. Moving to an iterative development process

Answer: A

Explanation:

Explanation

Reducing delays is the focus of Lean thinking. Lean thinking is a philosophy and a set of principles and practices that aim to eliminate waste and optimize value delivery. Waste is anything that does not directly contribute to customer value or that causes delays in delivering value. Delays are the primary cause of waste, as they increase inventory, risk, variability, overhead, and dissatisfaction. Reducing delays means minimizing the time between customer need and value delivery, which improves quality, efficiency, and customer satisfaction.
