

Free PDF SolarWinds - SCP-NPM - Trustable SolarWinds Network Performance Monitor (NPM) Exam Exam Training

What's more, part of that Dumpkiller SCP-NPM dumps now are free: <https://drive.google.com/open?id=1NQw9BD-6slm53mwL6zRkTgNGistZ8xko>

You don't need to worry about wasting your precious time but failing to get the SCP-NPM certification. With our SCP-NPM practice guide, your success is 100% guaranteed. Tens of thousands of people have used our SCP-NPM Study Materials and the pass rate of the exam is high as 98% to 100%. This means as long as you learn with our SCP-NPM learning quiz, you will pass the exam without doubt.

We all know that SolarWinds Network Performance Monitor (NPM) Exam (SCP-NPM) exam dumps are an important section of the SCP-NPM exam that is purely based on your skills, expertise, and knowledge. So, we must find quality SCP-NPM Questions that are drafted by industry experts who have complete knowledge regarding the SCP-NPM Certification Exam and can share the same with those who want to clear the SCP-NPM exam. The best approach to finding SolarWinds Network Performance Monitor (NPM) Exam (SCP-NPM) exam dumps is to check the Dumpkiller that is offering the SCP-NPM practice questions.

SCP-NPM Valid Practice Questions | SCP-NPM Books PDF

Once you have any questions about our SCP-NPM actual exam, you can contact our staff online or send us an email. We have a dedicated all-day online service to help you solve problems. Before purchasing, you may be confused about what kind of SCP-

NPM guide questions you need. You can consult our staff online. After the consultation, your doubts will be solved and you will choose the SCP-NPM Learning Materials that suit you. Our online staff is professionally trained and they have great knowledge on the SCP-NPM exam questions to help you pass the SCP-NPM exam.

SolarWinds Network Performance Monitor (NPM) Exam Sample Questions (Q75-Q80):

NEW QUESTION # 75

You have two groups of users - one in Sydney and one in Perth. How do you limit the users within the Orion Platform so they only have access to the devices in their location?

- A. Configure the Orion Web Console settings to show only devices in the user's geographical location
- B. Use the Orion Service Manager to limit user access to nodes only in their location
- C. Configure Network Atlas to show only devices in their geographical location
- D. Group devices into geographical Orion groups and use single group Account limitations to limit user access

Answer: D

NEW QUESTION # 76

Half of your objects in a nested map are down, but the top level map is up. What is the cause?

- A. You set map status thresholds to above 50%
- B. You set map status thresholds to below 50%
- C. You set availability thresholds for devices to below 50%
- D. You set availability thresholds for devices to above 50%

Answer: A

Explanation:

Map status thresholds determine how the status of a map is calculated based on the status of its child objects. If you set the map status threshold to above 50%, it means that the map will be up if more than half of its child objects are up, regardless of the severity of the down objects. This can cause a situation where half of your objects in a nested map are down, but the top level map is up, because the top level map only considers the status of the nested maps, not the individual objects within them. To avoid this, you can lower the map status threshold to a value that reflects the desired level of availability for your network, or use custom map status thresholds to specify different values for different maps. Reference: Set map status thresholds in NPM, Create nested maps in NPM, How to map through a deeply nested array of objects?

NEW QUESTION # 77

How does NPM calculate capacity usage trends?

- A. Volume capacity
- B. Capacity forecasting widget
- C. Average calculation
- D. Historical data

Answer: D

NEW QUESTION # 78

When you configure a report, you can limit access to specific users.

- A. FALSE
- B. TRUE

Answer: B

Explanation:

When you configure a report in the SolarWinds Platform Web Console, you can limit access to specific users by assigning a report

limitation category to the report and to the user account. A report limitation category is a custom label that defines which reports a user can see. For example, you can create a "finance" category and assign it to the reports and users related to the finance department. Users with the "finance" category can only access the reports with the same category, and not the reports with other categories, such as "marketing" or "IT". You can also prevent users from accessing any reports by applying the "No Reports" limitation to their account, or allow administrators to see all reports by applying the "No Limitation" category to their account. Reference: Restrict who can access reports in the SolarWinds Platform, Define what users can access and do in the SolarWinds Platform

NEW QUESTION # 79

Capacity planning is available for which metrics?

- A. Hardware Health
- **B. CPU, Memory, and Interface**
- C. Response Time, Interface, and Volume Utilization
- D. Up/Down, Packet Loss, and Latency

Answer: B

Explanation:

Capacity planning is available for the following metrics of monitored nodes, interfaces, and volumes: CPU utilization on nodes, memory usage on nodes, space usage on volumes, receive (in) utilization on interfaces, and transmit (out) utilization on interfaces¹. Capacity planning allows you to monitor capacity usage trends on the network and forecast capacity issues based on historical data and customizable thresholds. You can view capacity forecasting graphs and tables on the details views of nodes, interfaces, and volumes, or use the Top XX Capacity Problems widget to see a list of objects whose usage trend is rising². Reference: Monitor capacity usage trends on the network and forecast capacity issues in NPM, Forecast capacity for nodes, interfaces, or volumes in NPM

NEW QUESTION # 80

.....

In order to help customers, who are willing to buy our SCP-NPM test torrent, make good use of time and accumulate the knowledge, Our company have been trying our best to reform and update our SCP-NPM exam tool. "Quality First, Credibility First, and Service First" is our company's purpose, we deeply hope our SCP-NPM Study Materials can bring benefits and profits for our customers. So we have been persisting in updating our SCP-NPM test torrent and trying our best to provide customers with the latest SCP-NPM study materials to help you pass the SCP-NPM exam and obtain the certification.
