

H19-102_V2.0 Latest Exam Pattern, Latest H19-102_V2.0 Braindumps Sheet

H19-102_V2.0

Correct Answer: A,C,D

Explanation/Reference:

The DC908's features, per HCSA-Sales-Transmission & Access, include: Co-deployed with IT devices (A); Supports rack integration with IT equipment; Front air inlet and rear air outlet (C); Matches data center cooling standards; AC/4VDC power supply (D); Offers flexible power options (AC, high-voltage DC, DC); 19-inch ETSI rack installation (B); While compatible with 19-inch racks, "ETSI" typically implies European telecom standards (e.g., 21-inch), and DC908's primary focus is 19-inch IT racks; this is not a highlighted feature. Thus, A, C, and D are correct. Reference: Huawei DC908 Technical Specs, HCSA-Sales-Transmission & Access datasheet.

QUESTION: 4

DCI is the abbreviation for Data Center Interconnect.

Option A : TRUE
Option B : FALSE

Correct Answer: A

Explanation/Reference:

DCI stands for Data Center Interconnect, a term widely used in the industry and explicitly defined in HCSA-Sales-Transmission & Access materials. It refers to technologies (e.g., Huawei Optixtrans DC908) that link multiple data centers for high-speed, low-latency data transfer. The statement is accurate, making it TRUE. Reference: Huawei DCI Overview, HCSA-Sales-Transmission & Access training slides.

QUESTION: 5

Huawei OptiXaccess brand represents ONU series product.

Option A : TRUE
Option B : FALSE

Correct Answer: B

Explanation/Reference:

Huawei's OptiXaccess brand encompasses a broader range of access network solutions, not just ONUs. HCSA-Sales-

We are in a constant state of learning new knowledge, but also a process of constantly forgotten, we always learned then forget, how to solve this problem, the answer is to have a good memory method, our H19-102_V2.0 exam question will do well on this point. Our H19-102_V2.0 real exam materials have their own unique learning method, abandon the traditional rote learning, adopt diversified memory patterns, such as the combination of text and graphics memory method, to distinguish between the memory of knowledge. Our H19-102_V2.0 learning reference files are so scientific and reasonable that you can buy them safely.

Our H19-102_V2.0 exam Braindumps are available in PDF, software, and online three modes, which allowing you to switch learning materials on paper, on your phone or on your computer, and to study anywhere and anytime. And in any version of H19-102_V2.0 practice materials, the number of downloads and the number of people used at the same time are not limited. You can practice repeatedly for the same set of H19-102_V2.0 Questions and continue to consolidate important knowledge points.

2025 Latest H19-102_V2.0 Latest Exam Pattern Help You Pass H19-102_V2.0 Easily

We have the free demo for the H19-102_V2.0 study guide, it will help you to have a better understanding of the exam dumps, if you decide to buy and pay for it, we will send the downloading link and password to you within 10 minutes, and if you don't receive it, please contact to our service stuff, we will deal with the problem for you immediately. What's more, free update for the H19-102_V2.0 Study Guide for 365 days, and the update version will send to you by email automatically, therefore you can have the latest information for the HCSA-Sales-Transmission & Access V2.0.

Huawei HCSA-Sales-Transmission & Access V2.0 Sample Questions (Q20-Q25):

NEW QUESTION # 20

Customer pain point: High costs. DCI traffic grows over 50% annually, while bandwidth cost doubles every two years.

- A. TRUE
- B. FALSE

Answer: A

Explanation:

This statement directly reflects a well-documented pain point in DCI scenarios as per HCSA-Sales- Transmission & Access materials. The rapid growth of DCI traffic (over 50% annually) is driven by increasing data demands from cloud services, video streaming, and enterprise applications. Meanwhile, bandwidth costs doubling every two years exacerbate the financial burden on customers, pushing them toward cost-efficient solutions like Huawei's DC908, which offers a payback period within 1 year for self-built networks. The statement accurately captures this dynamic, making it TRUE.

NEW QUESTION # 21

Huawei can provide Ethernet-based Switches and PON-based POL series of product.

- A. TRUE
- B. FALSE

Answer: A

Explanation:

Huawei is a leading provider of networking solutions, offering a broad portfolio that includes both Ethernet- based switches and Passive Optical Network (PON)-based POL products. According to HCSA-Sales- Transmission & Access documentation, Huawei's Ethernet switches (e.g., CloudEngine series) cater to traditional IP networks, while its POL series (e.g., Campus OptiX with OLTs and ONUs) leverages PON technology for all-optical enterprise LANs. This dual capability allows Huawei to address diverse customer needs, from traditional LANs to modern optical deployments, making the statement TRUE.

NEW QUESTION # 22

DC908 key feature: The cost of self-built networks can be recovered within 1 year. The higher the bandwidth, the shorter the payback period.

- A. TRUE
- B. FALSE

Answer: A

Explanation:

The Huawei OptiXtrans DC908 is designed to offer a cost-effective DCI solution, and this statement is a verified key feature in HCSA-Sales-Transmission & Access documentation. The DC908's high capacity (88T /fiber) and low per-bit cost enable customers to recover the investment in self-built networks within 1 year, compared to expensive

leased lines. Additionally, the scalability (e.g., 100G to 800G per wavelength) means that higher bandwidth usage accelerates the payback period, as operational savings increase with scale. This economic advantage is a core selling point, making the statement TRUE.

NEW QUESTION # 23

Which of the following are highlights of the Network-Level WebGUI?

- A. Whole network perspective
- B. Simple and efficient
- C. Network dimension O&M

Answer: A,B,C

Explanation:

Huawei's Network-Level WebGUI offers key features that improve network management efficiency:

#Simple and Efficient - Provides an easy-to-use graphical interface that simplifies network configuration and monitoring.

#Whole Network Perspective - Offers a real-time view of all network devices and connections, enabling faster troubleshooting.

#Network Dimension O&M - Integrates O&M (Operations & Maintenance) functionalities for proactive fault detection and network optimization.

Thus, the correct answers are A, B, and C.

NEW QUESTION # 24

DC908 supports 197ETSI rack, 600/800/1000/1200mm depth installation.

- A. TRUE
- B. FALSE

Answer: A

Explanation:

The Huawei OptiXtrans DC908 is designed for flexible deployment in different data center environments. It supports:

#197 ETSI rack compatibility - Ensuring industry-standard installation options.#600mm, 800mm, 1000mm, and 1200mm depth

installation - Making it adaptable to different rack sizes for seamless integration into various data centers.

Thus, the correct answer is TRUE.

NEW QUESTION # 25

.....

You will receive an email attached with H19-102_V2.0 exam study guide within 5-10 min after you pay. It means that you do not need to wait too long to get the dumps you want. Besides, you will have free access to the updated Huawei H19-102_V2.0 study material for one year. If there is any update, our system will send the update H19-102_V2.0 Test Torrent to your payment email automatically. Please pay attention to your payment email for the latest Huawei H19-102_V2.0 exam dumps. If there is no any email about the update, please check your spam.

Latest H19-102_V2.0 Braindumps Sheet: https://www.itpassleader.com/Huawei/H19-102_V2.0-dumps-pass-exam.html

Obtaining H19-102_V2.0 certification is a very good choice, So, they are reliably rewarding H19-102_V2.0 practice materials with high utility value, It is offline software that enables users to go through the Selling HCSA-Sales-Transmission & Access V2.0 (H19-102_V2.0) practice exam without having any internet connection, Many candidates compliment that Huawei H19-102_V2.0 study guide materials are best assistant and useful for qualification exams, they have no need to purchase other training courses or books to study, and only by practicing our Huawei H19-102_V2.0 exam braindumps several times before exam, they can pass exam in short time easily, Huawei H19-102_V2.0 Latest Exam Pattern Usually we sell the accurate and valid exam dumps pdf and exam simulator which have high quality and stable high passing rate.

We discuss level of detail in the context of H19-102_V2.0 meshes, where practical algorithms abound, but also in a larger context, To get this result, the preceding code must set `operation`'s Latest H19-102_V2.0 Braindumps Sheet `Completed` property to a delegate that gets called when the task has finished.

Pass-Sure Huawei H19-102_V2.0 Latest Exam Pattern Offer You The Best Latest Braindumps Sheet | HCSA-Sales-Transmission & Access V2.0

Obtaining H19-102_V2.0 Certification is a very good choice, So, they are reliably rewarding H19-102_V2.0 practice materials with high utility value, It is offline software that enables users to go through the Selling HCSA-Sales-Transmission & Access V2.0 (H19-102_V2.0) practice exam without having any internet connection.

Many candidates compliment that Huawei H19-102_V2.0 study guide materials are best assistant and useful for qualification exams, they have no need to purchase other training courses or books to study, and only by practicing our Huawei H19-102_V2.0 exam braindumps several times before exam, they can pass exam in short time easily.

Usually we sell the accurate and valid exam H19-102_V2.0 Latest Exam Pattern dumps pdf and exam simulator which have high quality and stable high passing rate.
