100% Pass Quiz 2025 GB0-713-ENU: The Best Deploy and Manage the H3C

CAS virtualization platform V3.0 Valid Examcollection

In order to meet the demands of all the customers, we can promise that we will provide all customers with three different versions of the GB0-713-ENU study materials. In addition, we can make sure that we are going to offer high quality practice study materials with reasonable prices but various benefits for all customers. It is our sincere hope to help you Pass GB0-713-ENU Exam by the help of our GB0-713-ENU study materials.

H3C Deploy and Manage the H3C CAS virtualization platform V3.0 Sample Questions (Q82-Q87):

NEW QUESTION # 82

Which of the following statements about virtual machine online migration is correct?

- A. When migrating a host online, the destination host's virtual machine will be suspended first, then the memory data of the original virtual machine will be copied, and finally the original virtual machine will be shut down, and the destination host's virtual machine will change from the suspended state to the running state.
- B. When migrating hosts and storage online, the virtual machine's memory data and image files are transmitted through the management network.
- C. When migrating hosts and storage online, the virtual machine's memory data is transmitted through the management network, while the image file is transmitted through the storage network.
- D. If the migration is not completed within the migration timeout period, the system will suspend the original virtual machine so that it can quickly complete the migration. After the migration is completed, the virtual machine will be restored to the running state.

Answer: A,B,D

NEW QUESTION # 83
