- A. Job shadowing and peer reviews
- B. Focus groups and workshops
- C. Direct observations and site visits
- **D. Questionnaires and interviews**

Answer: D

Explanation:

To ensure accuracy, salary and benefits surveys often use questionnaires to gather comprehensive information from a wide range of respondents, providing a broad view of compensation trends.

NEW QUESTION # 26

What is a primary function of a Human Resources Information System (HRIS) in managing employee data?

- A. Developing training programs to enhance employee skills
- **B. Storing and organizing employee information in a centralized database**
- C. Organizing team-building events to boost morale
- D. Conducting employee engagement surveys regularly

Answer: B

Explanation:

Storing and organizing employee information in a centralized database is a primary function of an HRIS. This ensures that all employee data is securely stored and easily accessible, facilitating efficient HR operations.

NEW QUESTION # 27

Which of the following practices most likely promote a positive work environment?(Select TWO options).

- A. Allowing unrestricted use of social media
- B. Promoting based on seniority
- C. Having an open workspace design
- **D. Encouraging open communication**
- **E. Creating non-discriminatory culture**

Answer: D,E

Explanation:

Practices That Promote a Positive Work Environment:

* A positive work environment is essential for employee morale, engagement, and retention. These practices ensure inclusivity, fairness, and open communication, leading to higher satisfaction and productivity.

Explanation of Correct Options:

- * B. Encouraging open communication:
- * Open communication fosters trust, collaboration, and transparency. It ensures employees feel heard and valued.
- * D. Creating non-discriminatory culture:
- * A non-discriminatory culture ensures equal treatment, eliminates biases, and promotes diversity and inclusion, making the workplace welcoming for all.

Eliminating Incorrect Options:

- * A. Promoting based on seniority: May lead to perceptions of unfairness if merit is not considered.
- * C. Having an open workspace design: While it may encourage collaboration, it is not universally effective in promoting positivity.
- * E. Allowing unrestricted use of social media: Can lead to distractions and productivity loss.

NEW QUESTION # 28

Which of the following is an example of an alternative staffing program?

- A. Succession planning
- **B. Job sharing**
- C. Career fair
- D. Developmental assignment

Answer: B

Explanation:

Comprehensive and Detailed in Depth Explanation:

Alternative staffing programs provide flexible employment arrangements to meet organizational needs. Job sharing, where two or more employees share the responsibilities of one full-time position, is a common example of an alternative staffing program, allowing for flexibility and work-life balance.

- * Option A (Succession planning): This prepares employees for future roles, not a staffing program.
- * Option B (Developmental assignment): This is a training method, not a staffing arrangement.
- * Option C (Job sharing): Correct, as it is a recognized alternative staffing method.
