

# Latest 3V0-32.23 Exam Registration & 3V0-32.23 100% Exam Coverage

VMware 3V0-32.23 Certification Details	
Exam Code	3V0-32.23
Full Exam Name	VMware Cloud Management and Automation Advanced Design
No. of Questions	60
Online Practice Exam	<a href="#">VMware Certified Advanced Professional - Cloud Management and Automation Design 2023 (VCAP-CMA Design 2023) Practice Test</a>
Sample Questions	<a href="#">VMware 3V0-32.23 Sample Questions</a>
Passing Score	300 / 500
Time Limit	145 minutes
Exam Fees	\$450 USD
Become successful with VMEexam.com	

What's more, part of that PracticeTorrent 3V0-32.23 dumps now are free: [https://drive.google.com/open?id=1\\_kS4UR2tzDMTTuihacqiMQiOmZgEgHO](https://drive.google.com/open?id=1_kS4UR2tzDMTTuihacqiMQiOmZgEgHO)

Since our childhood, we have always been guided to study hard to clear the VMware 3V0-32.23 exams but if you still believe in the same pattern for clearing your Cloud Management and Automation Advanced Design 3V0-32.23 certification exam, I must say it's a bad idea. Studying hard is good only when you have enough time and no liability to check. When you are in your professional career, you don't have enough time to study hard but you have time to study smart. The smart study includes to prepare PracticeTorrent 3V0-32.23 Exam Questions that will help you concentrate on the core study and not follow up on the stories and background.

For years our team has built a top-ranking brand with mighty and main which bears a high reputation both at home and abroad. The sales volume of the 3V0-32.23 test practice guide we sell has far exceeded the same industry and favorable rate about our 3V0-32.23 learning guide is approximate to 100%. Why the clients speak highly of our 3V0-32.23 reliable exam torrent? Our dedicated service, high quality and passing rate and diversified functions contribute greatly to the high prestige of our 3V0-32.23 exam questions.

## VMware 3V0-32.23 100% Exam Coverage | 3V0-32.23 Best Vce

Experts at PracticeTorrent have also prepared VMware 3V0-32.23 practice exam software for your self-assessment. This is especially handy for preparation and revision. You will be provided with an examination environment and you will be presented with actual 3V0-32.23 Exam Questions. This sort of preparation method enhances your knowledge which is crucial to excelling in the actual VMware 3V0-32.23 certification exam.

## VMware Cloud Management and Automation Advanced Design Sample Questions (Q237-Q242):

### NEW QUESTION # 237

Development team members would like to deploy multiple software packages within a blueprint. One of these software packages, Tax Processing 1.0, has licensing requirements. Any member of the finance team can authorize the installation per request, but the entire team must be notified.

Which approval policies would satisfy this request?

A.

- Policy Type: Service Catalog - Catalog Item Request - Software Component
- Item: Tax Processing 1.0
- When is Approval Required = Always
- Approvers = Finance team
- All Must Approve

B.

- Policy Type: Service Catalog - Catalog Item Request - Software Component
- Item: Tax Processing 1.0
- When is Approval Required = Always
- Approvers = Finance team
- Anyone can Approve

C.

- Policy Type: Service Catalog - Catalog Item Request
- Item: Tax Processing 1.0
- When is Approval Required = Always
- Approvers = Finance team
- Anyone can Approve

D.

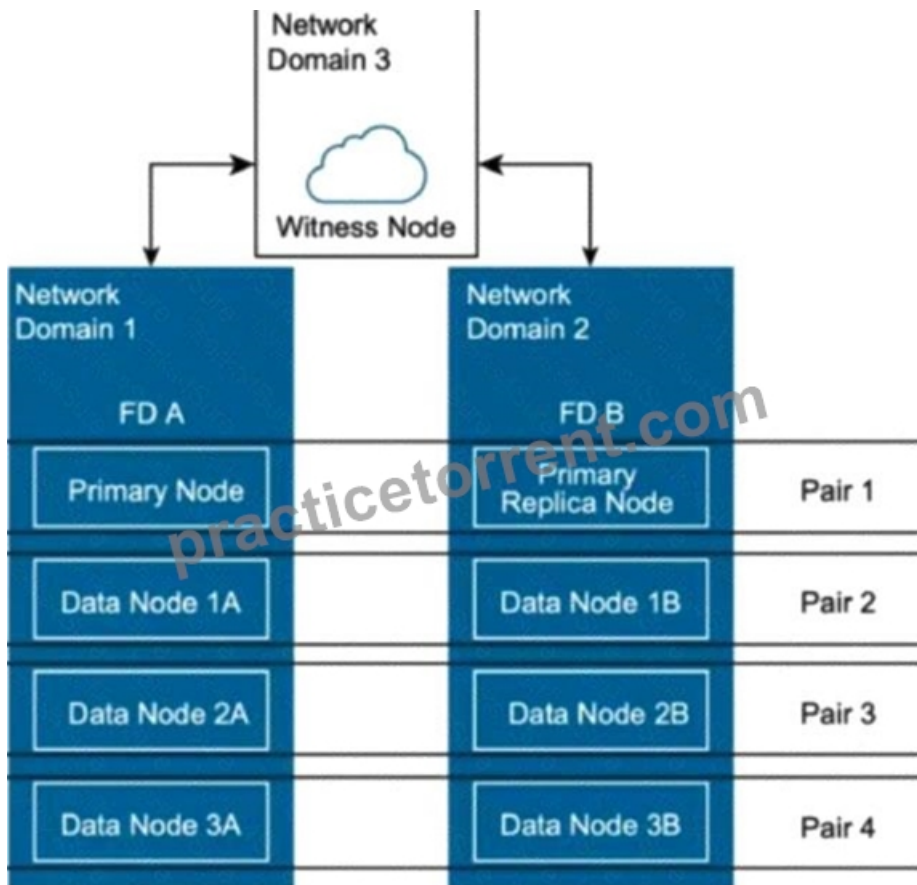

- Policy Type: Service Catalog - Catalog Item Request - Software Component
- When is Approval Required = (Single Clause)
- Business Group = Development Team
- Approvers = Finance team
- Anyone can Approve

- A. Option D
- B. Option C
- C. Option B
- D. Option A

Answer: C

#### NEW QUESTION # 238

Refer to the exhibit. An architect has created a logical design for VMware Aria Operations.

Realize Operations Manager Cluster with Continuous Availability enabled

The architect has included Continuous Availability as part of the design. Which scenarios does this design protect against. (Choose three.)

- A. The loss of two Data Node 2A and Data Node 2B
- B. The loss of a single network domain
- C. The loss of Data Node 1A and Data Node 3A
- D. The loss of two Data Node 1A and Data Node 1B
- E. The loss of the Primary Node and the Primary Replica Node
- F. The loss of two Data Node 1A and Data Node 2B

**Answer: A,B,C**

Explanation:

Continuous Availability (CA) in VMware Aria Operations (vRealize Operations Manager) protects against failures by distributing nodes across fault domains (FDs) and pairing nodes across domains. This design protects against losing any two nodes from different pairs (e.g., 1A and 3A, or 2A and 2B), and it can tolerate the complete loss of a single network domain (all nodes in either FD A or FD B), ensuring continuous service availability. It does not protect against the simultaneous loss of both the Primary Node and Primary Replica Node or both nodes of a pair (1A and 1B).

#### NEW QUESTION # 239

An architect is designing an Aria Automation Config (SaltStack Config) for configuration management and looking to integrate with Aria Automation to meet the following conditions:

Multi-Tenancy in Aria Automation

Automated SaltStack Minion agent installation via Cloud Templates resource type What two aspects does the architect need to include? (Choose two.)

- A. Verify Aria Automation administrator credentials and SaltStack Config root-level access.
- B. The Aria Automation Config (SaltStack Config) service installed via standalone method can be accessed via Aria Automation Service Console.
- C. The Aria Automation Config (SaltStack Config) can be only associated with a single tenancy.
- D. The integration process will install & enable the SaltStack config service.

- E. The Aria Automation Config (SaltStack Config) can be associated with multi-tenancy.

**Answer: D,E**

Explanation:

The integration process ensures SaltStack Config is installed and enabled for configuration management.

SaltStack Config supports multi-tenancy, allowing use within multi-tenant Aria Automation environments and automated agent installation via Cloud Templates.

#### NEW QUESTION # 240

An architect is designing a VMware Aria Operations for Logs cluster for an organization. The organization has the following requirements:

No requirement for archival data

Support a log data retention period of 14 days

How will the log data be handled in this VMware Aria Operations for Logs cluster after the 14-day retention period?

- A. A variable sized chunk of old log messages is deleted to free up space based on the data age basis.
- B. Old log messages are automatically and periodically retired on least accessed basis.
- C. Old log messages are automatically and periodically retired on a first-come-first-retired basis.
- D. The user needs to manually select and delete specific old log messages to free up space.

**Answer: C**

Explanation:

VMware Aria Operations for Logs automatically deletes log data older than the defined retention period (in this case, 14 days) using a first-come-first-retired method, ensuring compliance with the retention policy without manual intervention.

#### NEW QUESTION # 241

Refer to the exhibit. A customer wants to collect data from 120,000 objects and given the VMware Aria Operations sizing guide.

	VMware Aria Operations					Cloud Proxy (RC)		Cloud Proxy (CP)	
	Extra Small	Small	Medium	Large	Extra Large	Standard	Large	Small	Large
<b>Objects and Metrics</b>									
Single-Node Maximum Objects	350	5,000	15,000	22,000	50,000	6,000 (****)	32,000 (****)	8,000 (****)	40,000 (****)
Single-Node Maximum Collected Metrics (**)	70,000	800,000	2,500,000	4,000,000	10,000,000	1,200,000	6,500,000	1,200,000	6,000,000
Maximum number of nodes in a cluster	1	2	8	16	12	200			
Multi-Node Maximum Objects Per Node (***)	N/A	3,000	8,500	18,000	44,000	N/A	N/A	N/A	N/A
Multi-Node Maximum Collected Metrics Per Node (***)	N/A	700,000	2,000,000	3,000,000	7,500,000				
Maximum Objects for the configuration with the maximum supported number of nodes (***)	350	6,000	68,000	224,000	528,000				
Maximum Metrics for the configuration with the maximum supported number of nodes (***)	70,000	1,400,000	16,000,000	37,500,000	54,000,000				

Assuming the customer has no requirements for continuous availability or high availability, what recommendation for the quantity and type of nodes should the architect provide?

- A. 3 Extra Large Nodes
- B. 6 Large Nodes
- C. 8 Medium Nodes
- D. 12 Large Nodes

**Answer: A**

Explanation:

Extra Large nodes support 44,000 objects each; three nodes deliver 132,000-object capacity, satisfying the 120,000-object requirement with the smallest cluster.

#### NEW QUESTION # 242

.....

Although a lot of products are cheap, but the quality is poor, perhaps users have the same concern for our 3V0-32.23 learning materials. Here, we solemnly promise to users that our product error rate is zero. Everything that appears in our products has been inspected by experts. In our 3V0-32.23 learning material, users will not even find a small error, such as spelling errors or grammatical errors. It is believed that no one is willing to buy defective products, so, the 3V0-32.23 study materials have established a strict quality control system.

**3V0-32.23 100% Exam Coverage:** <https://www.practicetorrent.com/3V0-32.23-practice-exam-torrent.html>

The quality of our 3V0-32.23 practice dumps deserves your trust.our products have built good reputation in the market, If you feel difficult in choosing which version of our 3V0-32.23 reliable exam guide, if you want to be simple, PDF version may be suitable for you, You can also trust VMware 3V0-32.23 exam questions and start VMware 3V0-32.23 exam preparation, Once the update comes out, we will inform our customers who are using our 3V0-32.23 guide torrent so that they can have a latest understanding of 3V0-32.23 exam preparation.

But, interestingly, when open source teams want to get really Latest 3V0-32.23 Exam Registration productive, you know what they do, Well regarded for its level of detail, assessment features, and challenging review questions and exercises, this official study 3V0-32.23 Guide helps you master the concepts and techniques that will enable you to succeed on the exam the first time.

## **New Latest 3V0-32.23 Exam Registration | Professional 3V0-32.23 100% Exam Coverage: Cloud Management and Automation Advanced Design**

The quality of our 3V0-32.23 practice dumps deserves your trust.our products have built good reputation in the market, If you feel difficult in choosing which version of our 3V0-32.23 reliable exam guide, if you want to be simple, PDF version may be suitable for you.

You can also trust VMware 3V0-32.23 exam questions and start VMware 3V0-32.23 exam preparation, Once the update comes out, we will inform our customers who are using our 3V0-32.23 guide torrent so that they can have a latest understanding of 3V0-32.23 exam preparation.

Our Cloud Management and Automation Advanced Design exam material is good to 3V0-32.23 pass exam in a week.
