NEW QUESTION # 41
Which core concept defines a specific way of satisfying one or more needs in a context?

- A. Value
- B. Priority
- C. Change
- D. Solution

Answer: D

Explanation:
A specific way of satisfying one or more needs in a context.

NEW QUESTION # 42
Which of the following approaches is used to determine how business analysis data will be packaged and communicated to stakeholders?

- A. Business Analysis Approach
- B. Governance Approach
- C. Stakeholder Engagement Approach
- D. Information Management Approach

Answer: D

Explanation:
The Information Management Approach is used to determine how business analysis information will be structured, stored, and maintained. It outlines the processes for managing the flow of information between stakeholders and ensures that the information is communicated in a clear, concise, and accessible manner. This approach is essential for ensuring that stakeholders have the right information at the right time to make informed decisions.
References: The BABOK Guide discusses the importance of information management in business analysis, highlighting that a well-defined Information Management Approach supports effective communication and helps in delivering value to stakeholders1. Additionally, the IIBA's resources on business data analytics certification emphasize the need for proper information management to facilitate the understanding and use of business analysis data2.

NEW QUESTION # 43
In which task would the business analyst (BA) engage the stakeholders to help them support change?

- A. Plan business analysis approach
- B. Plan change strategy
- C. Conduct elicitation

- D. Manage stakeholder collaboration

Answer: D

Explanation:
Stakeholders are more likely to support change if business analysts collaborate with them and encourage the free flow of information, ideas, and innovations.
Genuine stakeholder engagement requires that all stakeholders involved feel that they are heard, their opinions matter, and their contributions are recognized.

NEW QUESTION # 44
.....
