Our Accident-and-Health-or-Sickness-Producer actual exam can secedes you from tremendous materials with least time and quickest pace based on your own drive and practice to win.

### Maryland Insurance Administration Maryland Accident and Health or Sickness Producer Series 20-24 Exam Sample Questions (Q12-Q17):

#### NEW QUESTION # 12

All of the following factors may affect premium determination in individual life insurance EXCEPT:

- A. Health
- B. Age
- C. Occupation
- **D. Race**

**Answer: D**

Explanation:

Comprehensive and Detailed Step by Step Explanation: Premium determination in life insurance depends on factors that measure risk, but race (D) is not and cannot be used due to anti-discrimination laws.

Age (A): A primary factor; younger applicants are charged lower premiums due to lower mortality risk.

Health (B): Significant; poor health or pre-existing conditions increase premiums.

Occupation (C): Risky professions (e.g., construction or aviation) may result in higher premiums.

Race (D): Prohibited by Maryland law, which ensures fairness and prohibits underwriting based on race, ethnicity, or similar discriminatory criteria.

References: Maryland Insurance Article §27-501, COMAR 31.09.03, and Anti-Discrimination Standards in Insurance.

#### NEW QUESTION # 13

A health maintenance organization may issue a contract that provides benefits for the following:

- A. The dismemberment of an HMO member
- **B. Health care services provided to members of the HMO**
- C. Replacement of income lost by a member due to the member's disability
- D. The accidental death of an HMO member

**Answer: B**

Explanation:

HMOs (Health-General Article, § 19-701) provide health care services to members, not income replacement (disability insurance), accidental death, or dismemberment benefits (life/accident insurance).

References: Maryland Health-General Article, § 19-701; MIA HMO guidelines.

#### NEW QUESTION # 14

If an insurer pays an individual accident and health insurance claim during a policy's grace period:

- A. The deductible is waived
- **B. The amount of unpaid premium may be subtracted from the reimbursement**
- C. The policy is canceled automatically at the end of the grace period
- D. A 10% service fee is charged

**Answer: B**

Explanation:

During the grace period (Insurance Article, § 15-209), insurers can deduct unpaid premiums from claims paid, maintaining coverage without waiving deductibles, charging fees, or auto-canceling.  
References: Maryland Insurance Article, § 15-209; MIA policy payment rules.

#### NEW QUESTION # 15

Which type of coverage bases benefit eligibility on the capacity to perform activities of daily living?

- A. Long-term disability
- **B. Long-term care insurance**
- C. Major medical expense
- D. Medicare supplement

**Answer: B**

Explanation:

Long-term care insurance (Insurance Article, § 18-101) triggers benefits based on inability to perform ADLs (e.g., bathing), unlike Medigap, major medical, or disability, which focus on medical or work criteria.

References: Maryland Insurance Article, § 18-101; MIA long-term care rules.

#### NEW QUESTION # 16

When the employer pays the premium, covered individuals normally receive tax-free benefits under all of the following group health plans EXCEPT:

- **A. Disability income**
- B. Major medical
- C. Health maintenance organization
- D. Dental

**Answer: A**

Explanation:

Federal tax rules (IRC § 105, § 106) make employer-paid medical benefits (major medical, dental, HMO) tax-free, but disability income benefits are taxable if employer-funded, as they replace income.

References: IRC § 105, § 106; Maryland Insurance Article, § 15-1201; MIA tax guidelines.

#### NEW QUESTION # 17

.....

We keep a close watch at the most advanced social views about the knowledge of the test Maryland Insurance Administration certification.
