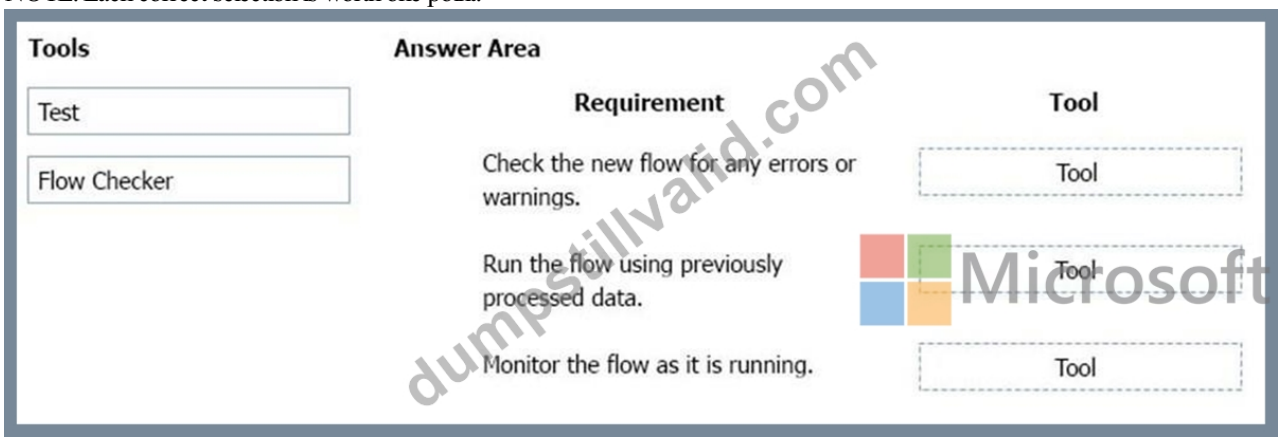
PL-900 exam covers a wide range of topics, from the basics of the platform to more advanced concepts such as data modeling and analytics. Passing PL-900 Exam will help you stand out in the job market and demonstrate that you have the skills and knowledge to create and manage solutions using the Power Platform.

Microsoft Power Platform Fundamentals Sample Questions (Q130-Q135):

NEW QUESTION # 130
Drag and Drop Question
You build a flow using a template. You want to add support for additional business scenarios.

You need to ensure that the new workflow does not break existing functionality.
Which flow editing utilities should you use? To answer, drag the appropriate tools to the correct requirements. Each tool may be used once, more than once, or not at all You may need to drag the split bar between panes or scroll to view content.
NOTE: Each correct selection is worth one point.



Answer:

Explanation:

Explanation:
Box 1: Flow Checker
The Flow checker feature will promote higher quality flows by ensuring you follow best practices.
By running the checker, you will be able to get answers to questions like: which areas of my flow implementation pose a performance or reliability risk?
For each issue identified, the Flow checker points to specific occurrences within the flow where improvements may be required.
And more importantly, you learn how to implement these improvements by following detailed guidance.
Box 2: Test
Box 3: Test

NEW QUESTION # 131
This question requires that you evaluate the BOLD text to determine if it is correct.
You have a Power BI report with a page named RevReceived. The page shows revenue received by your company. You want to create an almost identical page that shows net revenue instead of gross revenue. To accomplish this task, you modify the RevReceived page.
Review the underlined text. If it makes the statement correct, "No change is needed". If the statement is incorrect, select the answer choice that makes the statement correct.

- A. import the RevReceived page.
- B. copy the visuals from RevReceived to a new page.
- C. No change is needed.
- D. duplicate the RevReceived page.

Answer: D
