Maryland Insurance Administration Maryland Accident and Health or Sickness Producer Series 20-24 Exam Sample Questions (Q51-Q56):

NEW QUESTION # 51

In Maryland, continuation of medical plan coverage for a handicapped child beyond the age limit stated in the policy may require proof of the child's:

- A. Incapacity and dependency upon reaching the age limit
- B. Continued insurability
- C. Incapacity only
- D. Dependency for the first two years of continued coverage only

Answer: A

Explanation:

Under Insurance Article, § 15-401, coverage for handicapped children extends beyond age limits if they're incapacitated (unable to work) and dependent on the insured at the age limit. Insurability isn't required, incapacity alone isn't enough, and dependency isn't time-limited to two years.

NEW QUESTION # 52

A certificate of insurance in a group accident and health plan is:

- A. Evidence of the employee's insurance coverage
- B. A binding contract between the employer and the insurer
- C. Issued to the employer for each insured location
- D. A binding contract between the employee and the insurer

Answer: A

Explanation:

The certificate (Insurance Article, § 15-1207) provides employees with evidence of coverage under the group plan, not a binding contract (master policy) or employer-specific by location. It summarizes benefits for clarity.

References: Maryland Insurance Article, § 15-1207; MIA group insurance rules.

NEW QUESTION # 53

When the insured's willful failure to disclose a material fact at the time of application is discovered by the insurer shortly after the policy is issued:

- A. The policy is automatically void
- B. The insurer must continue the insurance policy in full force
- C. The policy is voidable at the insurer's option
- D. The insurer may cancel the policy only at the expiration or renewal date

Answer: C

Explanation:

A material misrepresentation (Insurance Article, § 12-206) allows the insurer to void the policy within the contestability period (typically 2 years) if willful. It's not automatically void, nor must it continue or wait until renewal; the insurer decides based on materiality.

NEW QUESTION # 54

In Maryland, an insurance producer is a person who solicits, negotiates, or sells insurance plans PRIMARILY in conjunction with:

- A. Acting as a regularly salaried officer
- **B. Earning commission**
- C. Performing clerical duties
- D. Enrolling individuals in group plans

Answer: B

Explanation:

A producer (Insurance Article, § 1-101(aa)) solicits and sells insurance primarily for commissions, distinguishing them from clerical staff, enrollment facilitators, or salaried insurer employees. This reflects their independent role.

References: Maryland Insurance Article, § 1-101(aa), § 10-101; MIA producer definitions.

NEW QUESTION # 55

Medical expense insurance typically EXCLUDES coverage for treatment of:

- **A. Intentionally self-inflicted injuries**
- B. Undiagnosed diseases
- C. Eating disorders
- D. Chronic back pain

Answer: A

Explanation:

Medical expense insurance covers necessary treatments like chronic pain, eating disorders (under parity laws, § 15-802), and undiagnosed conditions if treated, but excludes intentionally self-inflicted injuries (e.g., suicide attempts) as non-accidental losses (Insurance Article, § 15-201).
