The Microsoft MS-721 Exam is currently in beta testing, meaning that it is still being developed and refined. However, individuals who pass the beta exam will receive the same certification as those who take the final version of the exam. Taking the beta exam provides an opportunity for individuals to gain certification early, demonstrating their commitment to staying up-to-date with the latest Microsoft technologies.

Microsoft Collaboration Communications Systems Engineer Sample Questions (Q170-Q175):

NEW QUESTION # 170

Note: This question is part of a series of questions that present the same scenario. Each question in the series contains a unique solution that might meet the stated goals. Some question sets might have more than one correct solution, while others might not have a correct solution.

After you answer a question in this section, you will NOT be able to return to it. As a result, these questions will not appear in the review screen.

Your company uses configuration profiles to manage Microsoft Teams-certified IP phones. The Standard configuration profile is applied to the IP phones.

The help desk receives reports that several user phones fail to lock automatically after the timeout period.

You need to verify whether the configuration profile is applied to the problematic phones.

Solution: From Teams Devices in the Microsoft Teams admin center, you select Phones select the Configuration profiles tab, select the Standard Phone Policy, and select Assigned devices.

Does this meet the goal?

- A. No
- B. Yes

Answer: A

NEW QUESTION # 171

You have a Teams Phone deployment that contains offices in Brisbane and Melbourne. You deploy a new Session Border Controller (SBC) named SBC2 to the Brisbane office. You need to ensure that emergency calls from only the users in the Brisbane office use SBC2. Which two actions should you perform? Each correct answer presents part of the solution. NOTE: Each correct selection is worth one point.

- A. Create a new dial plan.
- B. Assign an emergency call routing policy to the Brisbane office users.
- C. Assign a dial plan to the Brisbane office users.
- D. Create a new emergency calling policy.
- E. Create a new emergency call routing policy.
- F. Assign an emergency calling policy to the Brisbane office users.

Answer: E,F
