Where would you go to open a support ticket with WalkMe's technical experts?

- A. WalkMe Console
- B. Insights
- C. Admin Center
- D. WalkMe World Community

Antwort: D

Begründung:

To open a support ticket with WalkMe's technical experts, users should visit the WalkMe World Community, an online platform where customers can access support resources, submit tickets, and engage with WalkMe's support team. This community serves as the primary channel for technical assistance, offering a streamlined process for reporting issues and receiving expert guidance.

The other options are incorrect:

- * Insights(B) is an analytics tool for tracking user behavior, not for support.
- * WalkMe Console(C) is not a standard WalkMe platform for support; it may refer to internal tools.
- * Admin Center(D) manages account settings and permissions, not support tickets.
