Which of the following strategies is most effective when leading a team through organizational change?

Response:

- A. Engaging stakeholders and communicating the benefits of the change early and often
- B. Allowing the team to discover the change through observation
- C. Imposing the change without involving the team
- D. Making sudden changes to minimize resistance

Answer: A

NEW QUESTION # 111

How can a leader ensure that complex security policies are clearly communicated to a non-technical audience within an organization?
Response:

- A. Avoid discussing technical details altogether
- **B. Simplify the language and focus on the key points that affect the audience**
- C. Use technical jargon to ensure accuracy
- D. Provide a printed version of the policy for everyone

Answer: B

NEW QUESTION # 112

Your organization has experienced a series of minor security incidents, and you have been asked to perform a security program analysis to determine the root causes. You find that while the technical controls are strong, there is a lack of security awareness among employees. What steps should you take to address this issue and reduce the likelihood of future incidents?
Response:

- A. Post reminders about security policies without additional action
- B. Fire employees who failed to follow security protocols
- **C. Implement a comprehensive security awareness program that includes regular training, phishing simulations, and clear communication of security policies**
- D. Strengthen technical controls and ignore employee awareness

Answer: C

NEW QUESTION # 113

What is the primary purpose of aligning cybersecurity strategy with an organization's business vision and mission?
Response:

- A. To ensure that the cybersecurity strategy operates independently of business objectives
- B. To prevent the cybersecurity program from receiving excessive funding
- **C. To ensure the cybersecurity strategy supports business goals and adds value to the organization**
- D. To allow the security team to work autonomously from business stakeholders

Answer: C

NEW QUESTION # 114

Which approach is most effective for leaders to build trust with their teams during periods of significant organizational change?
Response:

- A. Announcing changes abruptly to avoid long periods of uncertainty
- B. Avoiding direct communication and delegating responsibility for updates to middle management
- C. Withholding information until changes are finalized
- **D. Providing transparency, involving the team in decision-making, and maintaining regular communication**

Answer: D
