Answer: D

NEW QUESTION # 54

Where would you add a topic profile

- A. Workspace settings
- B. Admin settings
- C. Social studio engage
- **D. Social studio automate**

Answer: D

Explanation:

Topic profiles in Social Studio are added through the Social Studio Automate. This feature allows users to monitor and automate responses based on specific topics of interest across different social media channels.

Admin settings and Workspace settings do not provide options to manage topic profiles directly.

NEW QUESTION # 55

NEW QUESTION # 56

What is true about contact data and journey data.

- A. Contact data is static and journey data is updated data
- **B. Journey data is static and contact data is updated data.**

Answer: B

Explanation:

The relationship between journey data and contact data is:

* A: Journey data is static and contact data is updated data. Journey data refers to the data elements that were true at the time the contact entered the journey and do not change throughout the journey. In contrast, contact data is dynamic and can be updated outside the journey, reflecting the most current information available about the contact.

NEW QUESTION # 57
