PRINCE2 P3O Foundation Project Office2013 Exam Sample Questions (Q49-Q54):

NEW QUESTION # 49

What does a P3O provide to support the principle 'govern effectively'?

- A. Independent gated review coordination and assurance
- B. Coaching and training to P3O roles
- C. A benefits tracking service to business owners
- D. A fast track mobilization service to programmes and projects

Answer: A

Explanation:

To support the 'govern effectively' principle, a P3O provides independent gated review coordination and assurance, as per the P3O

Foundation (2013) manual. Section 7.3.2 notes, "P3O supports effective governance through independent gated reviews and assurance processes to ensure compliance and quality across change initiatives." This involves objective oversight, unlike coaching/training (A), benefits tracking (C), or fast-track mobilization (D), which serve different purposes (e.g., capacity building or delivery support). The 2013 edition underscores this assurance role as critical for maintaining governance standards, enabling senior management to monitor progress and mitigate risks. This aligns with the P3O's function of providing a robust control framework, ensuring strategic alignment and accountability throughout the change lifecycle.

NEW QUESTION # 50

Which is a section of the Blueprint?

- A. Processes (including operational costs and performance levels)
- **B. Vision Statement**
- C. Business process swimlanes
- D. Information portal

Answer: B

Explanation:

The P3O Foundation (2013) manual identifies the Vision Statement as a section of the Blueprint. Section 4.3.3 states, "The Blueprint includes a Vision Statement that outlines the desired future state of the P3O model, guiding its development and implementation." This differs from business process swimlanes (A), which are tools, information portals (B), which are delivery mechanisms, and processes (D), which are detailed operational elements. The 2013 edition emphasizes the Vision Statement's role in setting strategic direction within the Blueprint, a key implementation document. This ensures alignment with organizational goals throughout the P3O lifecycle.

NEW QUESTION # 51

Which is a functional area within a P3O model?

- **A. COE functions or services**
- B. Flexible resource pool
- C. Hub Portfolio Office connected by spokes
- D. Virtual Office

Answer: A

Explanation:

COE (Centre of Excellence) functions or services are a functional area within a P3O model, per the P3O Foundation (2013) manual. Section 5.3.4 states, "The Centre of Excellence provides a functional area within the P3O, offering standards, guidance, and best practices to support PPM maturity." This contrasts with Hub Portfolio Offices (A), which are structural models, Virtual Offices (C), which are temporary setups, and Flexible Resource Pools (D), which are resource mechanisms. The 2013 edition highlights the COE's role in standardizing processes, making it a core P3O component. This ensures consistent support across the organization.

NEW QUESTION # 52

Which is a COE function or service?

- A. Provide capacity planning
- B. Support delivery of a specific programme
- **C. Support PPM tools**
- D. Align projects to strategy

Answer: C

Explanation:

The P3O Foundation (2013) manual identifies supporting PPM tools as a COE function. Section 5.3.4 states, "The Centre of Excellence (COE) provides functions such as supporting PPM tools to ensure consistency and maturity in project, programme, and

portfolio management." This differs from programme delivery (B), capacity planning (C), or strategic alignment (D), which are handled by other offices. The 2013 edition emphasizes the COE's role in standardizing tool usage, enhancing organizational PPM capability. This supports consistent practice across the P3O model.

NEW QUESTION # 53

Which describes the focus of a Portfolio Office in relation to programmes?

- A. Implements a programme correctly
- B. Provides support to a programme
- C. Defines the standards to be followed by a programme
- **D. Ensures that investment is made in the right programmes**

Answer: D

Explanation:

The P3O Foundation (2013) manual describes the Portfolio Office's focus as ensuring investment in the right programmes. Section 5.3.2 states, "The Portfolio Office focuses on ensuring that investment is directed toward the right programmes by aligning them with strategic objectives and optimizing the portfolio." This differs from implementation (A), programme support (B), or standard definition (C), which are programme or COE roles. The 2013 edition emphasizes this strategic investment role to maximize value, supporting P3O's governance function. This ensures resource allocation aligns with organizational priorities.
