Our Accident-and-Health-or-Sickness-Producer exam torrents are not only superior in price than other makers in the international field, but also are distinctly superior in many respects.

### Maryland Insurance Administration Maryland Accident and Health or Sickness Producer Series 20-24 Exam Sample Questions (Q68-Q73):

#### NEW QUESTION # 68

When a producer sells an individual accident and health insurance policy, how is the initial premium usually paid?

- A. The insurer bills the applicant when the application is approved
- B. The applicant sends it directly to the insurer with the application
- **C. The producer collects and forwards it to the insurer**
- D. The insurer utilizes the applicant's automatic bank draft authorization

**Answer: C**

Explanation:

Producers (Insurance Article, § 10-126) typically collect the initial premium with the application and forward it to the insurer, streamlining the process, unlike direct payment, billing, or bank drafts, which are less common initially.

References: Maryland Insurance Article, § 10-126; MIA producer procedures.

#### NEW QUESTION # 69

When a single major medical contract covers all medical expenses, the plan is considered to be:

- **A. Comprehensive**
- B. Supplemental
- C. Limited
- D. First-dollar

**Answer: A**

Explanation:

A single policy covering all medical expenses (Insurance Article, § 15-201) is comprehensive, unlike limited (specific), first-dollar (no deductible), or supplemental (add-on) plans.

References: Maryland Insurance Article, § 15-201; MIA major medical standards.

#### NEW QUESTION # 70

All of the following are common features found in health maintenance organizations (HMOs) EXCEPT:

- A. Wellness programs
- **B. Discounts on local health spa memberships**
- C. Twenty-four hour access to emergency care
- D. Outpatient medical services

**Answer: B**

Explanation:

HMOs (Health-General Article, § 19-701) offer wellness, emergency, and outpatient services. Discounts on spa memberships aren't a standard feature, unrelated to core health care delivery.

References: Maryland Health-General Article, § 19-701; MIA HMO standards.

### NEW QUESTION # 71

The Maryland Health Insurance Plan is designed to provide comprehensive health benefits for:

- A. Medically uninsurable Maryland residents
- B. Low-income residents of Maryland
- C. Children of low-income Maryland residents
- D. Senior citizens residing in Maryland

**Answer: A**

Explanation:

The Maryland Health Insurance Plan (MHIP, Insurance Article, § 15-1301) historically provided coverage for medically uninsurable residents rejected by private insurers, until phased out in 2014 by the ACA. It didn't target low-income (Medicaid), seniors (Medicare), or children (CHIP) specifically.

References: Maryland Insurance Article, § 15-1301 (historical); MIA MHIP documentation.

### NEW QUESTION # 72

When determining the premiums for large groups, most insurance companies use:

- A. Pooled rating
- B. Experience rating
- C. Occupational rating
- D. Area rating

**Answer: B**

Explanation:

Large group premiums (Insurance Article, § 15-1205) use experience rating, basing rates on the group's claims history.

Occupational rating applies to specific jobs, area rating to geography, and pooled rating to small groups, none of which dominate large groups.

References: Maryland Insurance Article, § 15-1205; MIA group insurance guidelines.

### NEW QUESTION # 73

.....

Maybe you are unfamiliar with our Accident-and-Health-or-Sickness-Producer latest material, but our Accident-and-Health-or-Sickness-Producer real questions are applicable to this exam with high passing rate up to 98 percent and over.
