## GAQM Certified Business Continuity Professional (CBCP) Sample Questions (Q24-Q29):

### NEW QUESTION # 24

In the event of a disaster that destroys the physical office site operations will be relocated to a temporary site.

- A. False
- B. True

**Answer: B**

Explanation:

Explanation

In the event of a disaster that destroys the physical office site operations will be relocated to a temporary site.

This is true because one of the recovery strategies for a disaster is to have an alternate site where the critical functions and processes can be resumed until the primary site is restored or replaced. The alternate site can be a pre-arranged location, such as a rented office space, a hotel, or another branch of the same organization, or a mobile facility, such as a trailer or a container. The alternate site should have the necessary equipment, systems, data, and resources to support the continuity of the business. Verified

## NEW QUESTION # 25

Which of the following are the four Ts of risk guidance produced by the Office of Government Commerce? (choose four)

- A. Transfer
- B. Title
- C. Tolerate
- D. Terminate
- E. Technique
- F. Treat

**Answer: A,C,D,F**

Explanation:

Explanation

The four Ts of risk guidance produced by the Office of Government Commerce are transfer, tolerate, treat, and terminate. They are:  
Transfer: This strategy involves transferring or sharing some or all of the responsibility or impact of a risk to another party, such as an insurer, a supplier, or a partner.

Tolerate: This strategy involves accepting or retaining a risk without taking any further action to reduce it, either because the risk level is acceptable or because the cost or effort of reducing it is not justified.

Treat: This strategy involves taking steps to reduce the likelihood or impact of a risk to an acceptable level, such as implementing controls, mitigations, or contingency plans.

Terminate: This strategy involves eliminating or avoiding a risk by discontinuing or changing the activity that causes it. Verified

## NEW QUESTION # 26

BIA helps you identify

- A. Tangible and intangible impact of a disruption over period of time
- B. Critical services and products
- C. Critical interdependencies and interested parties
- D. All of the above

**Answer: D**

Explanation:

BIA helps to identify all of the above aspects of an organization's functions and processes. It helps to identify the critical services and products that the organization delivers to its customers and stakeholders, and the functions and processes that support them. It also helps to identify the critical interdependencies and interested parties that are involved in or affected by the organization's functions and processes, such as suppliers, partners, regulators, or employees. Moreover, it helps to identify the tangible and intangible impacts of a disruption to the organization's functions and processes over a period of time, such as financial losses, reputational damage, legal liabilities, or customer dissatisfaction. ## NEW QUESTION # 27

In the event of a disaster, notification shall be given to each employee by either the HR Department Manager or through the firm's emergency notice system

- A. False
- B. True

**Answer: B**

Explanation:

In the event of a disaster, notification shall be given to each employee by either the HR Department Manager or through the firm's emergency notice system. This is true because communication is a vital component of any disaster recovery and business continuity plan. Employees need to be informed of the situation, their roles and responsibilities, and the actions they need to take to ensure their safety and the continuity of the business.

The HR Department Manager or the emergency notice system are the designated channels for communicating with employees during a disaster. Verified References: <https://www.ready.gov/business-continuity-plan>

## NEW QUESTION # 28

Which statement is authorized at an appropriate level and should codify the company's attitude to a particular risk?

- A. QMS Document
- B. Process Document
- **C. Policy Statement**
- D. Privacy Statement

**Answer: C**

Explanation:

A policy statement is a statement that is authorized at an appropriate level and should codify the company's attitude to a particular risk. A policy statement is a document that defines the scope, objectives, principles, roles, and responsibilities of a business continuity management program. It should also express the organization's commitment to managing risks and ensuring continuity of its critical functions and processes.

A policy statement should be approved by senior management and communicated to all relevant stakeholders.
