You receive the following email message: "Hi. I've put 24 files of monthly transaction data onto the shared drive. File

Transactions201901.csv through Transactions201912.csv have the latest set of columns, but files Transactions201801.csv to

Transactions201812.csv have an older layout without the extra fields needed for analysis. Each file contains 10 to 50 transactions."
