You will build confidence to make your actual test a little bit easier with 312-49v11 practice vce.

EC-COUNCIL Computer Hacking Forensic Investigator (CHFI-v11) Sample Questions (Q919-Q924):

NEW QUESTION # 919

You are working as an investigator for a corporation and you have just received instructions from your manager to assist in the collection of 15 hard drives that are part of an ongoing investigation.

Your job is to complete the required evidence custody forms to properly document each piece of evidence as other members of your team collect it. Your manager instructs you to complete one multi-evidence form for the entire case and a single-evidence form for each hard drive. How will these forms be stored to help preserve the chain of custody of the case?

- A. The multi-evidence form should be placed in an approved secure container with the hard drives and the single-evidence forms should be placed in the report file
- B. The multi-evidence form should be placed in the report file and the single-evidence forms should be kept with each hard drive in an approved secure container
- C. All forms should be placed in an approved secure container because they are now primary evidence in the case

- D. All forms should be placed in the report file because they are now primary evidence in the case

Answer: B
