Salesforce Certified Associate Exam or Salesforce-Associate is an entry-level certification exam offered by Salesforce. Salesforce Certified Associate certification is designed for individuals who are new to the Salesforce platform and want to demonstrate their knowledge and skills in implementing and using Salesforce. Salesforce Certified Associate certification covers a wide range of topics, including the basic concepts of Salesforce, the user interface, data management, security, and customization. By passing Salesforce-Associate exam, individuals can prove their understanding of the Salesforce platform and become eligible for entry-level Salesforce roles.

Salesforce Salesforce-Associate exam is a valuable certification for anyone who is new to Salesforce and wants to validate their knowledge of the platform. With the right preparation and study materials, passing Salesforce-Associate Exam can open up new career opportunities and demonstrate your expertise in Salesforce to potential employers.

To prepare for the Salesforce-Associate certification exam, candidates can take advantage of various resources such as study guides, online courses, and practice exams. Salesforce offers a study guide that covers the topics tested on the exam. Candidates can also enroll in online courses offered by Salesforce or third-party providers. Practice exams are also available to help candidates familiarize themselves with the exam format and assess their readiness.

Salesforce Certified Associate Sample Questions (Q87-Q92):

NEW QUESTION # 87

A deleted record needs to be recovered from the Recycle Bin.
Where can the user find the Recycle Bin?

- A. App Launcher

- B. Setup
- C. Global Search

Answer: A

Explanation:

The place where the user can find the Recycle Bin is the App Launcher. The App Launcher is a menu that allows users to access all the apps and items in their Salesforce org. The Recycle Bin is one of the items that can be found in the App Launcher. The user can search for "Recycle Bin" in the App Launcher and select it to view and restore their deleted records. The Recycle Bin is not located in Setup or Global Search.

NEW QUESTION # 88

What is the maximum number of rows a report will display?

- A. 3,000
- B. 5,000
- C. 2,000

Answer: C

NEW QUESTION # 89

Get Cloudy Consulting (GCC) wants to integrate its financial system with its Salesforce environment. After searching the AppExchange and reviewing documentation for its financial system, GCC did not find anything. What should be used to build this integration?

- A. Commerce Cloud
- B. Financial Services
- C. MuleSoft

Answer: C

Explanation:

The tool that GCC should use to build an integration between its financial system and its Salesforce environment is MuleSoft. MuleSoft is a platform that enables companies to connect any application, data, or device using APIs. MuleSoft helps GCC to create and manage integrations between Salesforce and other systems, such as its financial system, without writing any code. MuleSoft also provides prebuilt connectors, templates, and best practices to speed up the integration process.

NEW QUESTION # 90

Get Cloudy Consulting encourages end users to update their own settings. How can an end-user access their personal settings?

- A. Click the gear, con in the header, then click Setup.
- B. Click the question mark icon in the header, then create a Case.
- C. Click the profile icon in the header, then dick Settings.

Answer: C

Explanation:

The way that an end-user can access their personal settings is to click the profile icon in the header, then click Settings. This will open the Settings page, where the user can update their personal information, language and locale, email, display, security, and other settings. Clicking the gear icon in the header, then clicking Setup will open the Setup page, where the user can access the org-wide settings and features, but not their personal settings. Clicking the question mark icon in the header, then creating a Case will open the Help Center, where the user can get help and support, but not access their personal settings.

NEW QUESTION # 91
