

# Quiz 2025 SAP Marvelous Valid C\_S4EWM\_2023 Learning Materials

Our C\_S4CS\_2302 real quiz boosts 3 versions: the PDF, Software and APP online. Though the content of these three versions is the same, but the displays of them are with varied functions to make you learn comprehensively and efficiently. The learning of our [C\\_S4CS\\_2302 Study Materials](#) costs you little time and energy and we update them frequently. To understand our C\_S4CS\_2302 learning questions in detail please look at the introduction of our product on the website pages.

SAP S/4HANA Cloud public edition is a cloud-based enterprise resource planning (ERP) software that is designed to help businesses manage their financials, logistics, and other operations in real-time. The SAP C-S4CS-2302 exam focuses specifically on the sales module of the SAP S/4HANA Cloud public edition. Passing C\_S4CS\_2302 exam demonstrates that an individual has the skills and knowledge necessary to configure and implement the sales functionalities of the software.

To prepare for the SAP C\_S4CS\_2302 certification exam, candidates can attend training courses offered by SAP or study independently through SAP Learning Hub. SAP Learning Hub provides access to a wide range of learning materials, including e-books, simulations, and interactive courses. Additionally, SAP offers practice exams to help candidates familiarize themselves with the format and types of questions they can expect on the actual exam.

## SAP certification C\_S4EWM\_2023 best exam questions and answers

Why do so many people determine to take part in SAP C\_S4EWM\_2023 exam? Owing a nice certification will not only testify your professional skills and qualification but also show your knowledge and ability, it will be useful for your career. C\_S4EWM\_2023 New Test Bootcamp materials will be valid and useful for your test. If you get a certification, you will be regarded as knowledgeable expert. Now there is a large demand for these skillful senior engineers.

### SAP Certified Associate - SAP S/4HANA Cloud Private Edition, Extended Warehouse Management Sample Questions (Q80-Q85):

#### NEW QUESTION # 80

What features does a storage group offer? Note: There are 2 correct answers to this question.

- A. Control of rule-based determination of process steps
- B. Assignment to multiple storage bins
- C. Definition of a logical or physical breakdown of a storage type
- D. Assignment as an intermediate storage group

**Answer: C,D**

Explanation:

Comprehensive and Detailed In-Depth Explanation:

A storage group in SAP EWM organizes storage types logically or physically. Option B ("Assignment as an intermediate storage group") is correct as it can act as a temporary grouping for putaway or picking, configured in SPRO: SCM Extended Warehouse Management > Master Data > Define Storage Groups.

Option C ("Definition of a logical or physical breakdown of a storage type") is correct because it categorizes storage types (e.g., high rack vs. bulk). Option A relates to bins, not groups, and option D is managed by process types, not storage groups.

#### NEW QUESTION # 81

Which of the following actions can you perform from the shipping cockpit? Note: There are 2 correct answers to this question.

- A. Create and check in transportation units
- B. Create waves and assign doors
- C. Create Pick HUs
- D. Assign outbound delivery orders and inbound deliveries to transportation units

**Answer: A,B**

Explanation:

Comprehensive and Detailed In-Depth Explanation:

The shipping cockpit (/SCWM/SHCO) in SAP EWM manages outbound processes. Option A ("Create waves and assign doors") is correct as it supports wave creation and door assignment, and option D ("Create and check in transportation units") is correct for TU management, both available in the cockpit. Option B is transportation management-specific, and option C (Pick HUs) is done during picking, not in the cockpit.

#### NEW QUESTION # 82

Which of the following are internal goods movements? Note: There are 3 correct answers to this question.

- A. Direct putaway
- B. Replenishment
- C. Slotting
- D. Warehouse reorganization
- E. Ad hoc movements

**Answer: B,D,E**

#### NEW QUESTION # 83

What are the advantages of using a mobile device during physical inventory? Note: There are 2 correct answers to this question.

- A. It is optional to block bins
- B. There is a special SAP Fiori app available
- C. Recounting is never required
- D. You can use collective counting for bulk storage

**Answer: A,D**

Explanation:

Comprehensive and Detailed In-Depth Explanation:

Mobile devices enhance physical inventory in SAP EWM. Option A ("You can use collective counting for bulk storage") is correct because RF devices support collective counting, allowing multiple bins to be counted together, configured via transaction /SCWM/RFUI. Option D ("It is optional to block bins") is correct as mobile counting allows flexibility in bin blocking, unlike desktop processes where blocking may be mandatory, set in SPRO: SCM Extended Warehouse Management > Physical Inventory > RF Settings. Option B is incorrect as recounting may still be needed, and option C (SAP Fiori app) is not standard for EWM PI.

#### NEW QUESTION # 84

Which of the following actions are possible based on a value-added service (VAS) order? Note: There are 3 correct answers to this question.

- A. Capture time required
- B. Capture costs
- C. Perform quality inspection
- D. Assemble a kit
- E. Consume auxiliary products

**Answer: A,D,E**

Explanation:

Comprehensive and Detailed In-Depth Explanation:

A VAS order in SAP EWM supports additional services during processing. Option A ("Assemble a kit") is correct as kitting is a common VAS activity. Option B ("Consume auxiliary products") is correct because VAS often uses materials like packaging, and option D ("Capture time required") is correct as Labor Management tracks VAS execution time, all configured in SPRO: SCM Extended Warehouse Management > Value-Added Services. Option C (quality inspection) is a separate QM process, and option E (costs) is tracked indirectly, not directly via VAS orders.

#### NEW QUESTION # 85

.....

The client can try out and download our C\_S4EWM\_2023 training materials freely before their purchase so as to have an understanding of our product and then decide whether to buy them or not.
