BICSI Registered Communications Distribution Designer - RCDD v15 Sample Questions (Q198-Q203):

NEW QUESTION # 198

The program manager leads a medical billing system integration program for company A, a health services provider. Company A acquires smaller company X, which delivers health services strategically aligned with company A. Company X uses a different billing approach than company A. Company A's chief information officer (CIO) seeks counsel on which solution would be the better option moving forward, requesting the program manager's assistance.

How should the program manager respond to the CIO's request?

- A. Conduct a thorough stakeholder analysis and develop a program management plan to implement the appropriate solution for both companies.
- B. Document the resources required to implement the recommended solution and demonstrate how this solution will save the

company money

- C. Find similar examples of the preferred approach and ask the project teams to document why the preferred approach is better
- D. Gather the costs and benefits associated with each option and recommend the appropriate solution defining why the selected approach is better

Answer: D

NEW QUESTION # 199

The program director of a four-year program, estimated to require 600,000 person-days effort, notices that team morale has decreased over the last three months. The program is at a critical stage with 70% completion through the last phase. A number of defects are found that result in teams working additional hours. The program director requests that the program management office (PMO) gather metrics to monitor the situation

Which of the following metrics should the PMO capture on a monthly basis?

- A. Absenteeism rate staff turnover and leave liability
- B. Absenteeism rate staff turnover quantity of defects, total hours worked average number of FTEs
- C. Amount of hours spent on rework of software coding retesting, and on non-rework activities
- D. Billable hours charged to the program, non-billable hours charged to the program, quantity of defects per full-time equivalent (FTE)

Answer: B
