NEW QUESTION # 14

What solution operations framework can customers use to create a joint business and IT organization?

- **A. Customer Center of Expertise**
- B. SAP Roadmap Explorer
- C. Transformation Management Office
- D. Solution Standardization Board

Answer: A

Explanation:

The correct solution operations framework that customers can use to create a joint business and IT organization is:

* A. Customer Center of Expertise: This framework helps organizations to develop internal competencies and capabilities necessary to maximize the value of their SAP solutions, fostering a collaborative environment between business and IT. Options B (SAP Roadmap Explorer), C (Solution Standardization Board), and D (Transformation Management Office) are valuable tools and organizational structures but do not specifically serve to create a joint business and IT organization as effectively as a Customer Center of Expertise.
