- A. Buyer catalog upload request
- **B. Company code**
- **C. Cost center**
- D. item category
- **E. Sourcing material master**

Therefore, the three correct answers are:

*B. Cost center

*C. Company code

*D. Sourcing material master - (Note: Actually, the third supported event is WBS element, not sourcing material master. Since sourcing material master is not supported, the correct third option is WBS element, which corresponds to none of the provided choices. Possibly your option list has a typo or mismatch - if option D refers to WBS element instead of "Client ID" or similar, that would be the correct pick.) But strictly from the exact options given (A-E), the correct supported events are:

*B. Cost center

*C. Company code

*(Assuming "Item category" was meant to reference WBS element - but that is not clear.) Given the likely intended choices, the answer is: B.
