Exam Accident-and-Health-or-Sickness-Producer Collection Pdf - Accident-

and-Health-or-Sickness-Producer Guaranteed Questions Answers

The beauty of life may be that we don't know what will happen in the future, but even so, we are willing to pursue a bright future. Happiness for us may be the life we want to live, and our Accident-and-Health-or-Sickness-Producer Study Materials can provide a good foundation for you to achieve this goal. A good job requires good skills, and the most intuitive way to measure your ability is how many qualifications you have passed and how many qualifications you have.

Maryland Insurance Administration Maryland Accident and Health or Sickness Producer Series 20-24 Exam Sample Questions (Q20-Q25):

NEW QUESTION # 20

Under federal law, an insurance producer may be sentenced to prison for:

- A. Inducing a client to sign an application for insurance
- **B. Embezzling money from an insurance company**
- C. Suing an insurer over contract violations
- D. Selling insurance with a nonresident license

Answer: B

Explanation:

Federal law (18 U.S.C. § 1033) criminalizes embezzlement by a producer, a felony punishable by prison if interstate commerce is affected. Nonresident licensing is a state issue, inducing applications is legal, and suing is a civil action, not criminal.

References: 18 U.S.C. § 1033; MIA producer conduct alignment.

NEW QUESTION # 21

All of the following are characteristics of a preferred risk applicant for disability income insurance EXCEPT:

- A. Non-hazardous occupation
- B. Non-smoker
- C. Physically active
- **D. High income**

Answer: D

Explanation:

Preferred risk applicants (Insurance Article, § 15-201) have low disability risk due to non-smoking, safe jobs, and physical activity. High income affects benefit amounts, not risk classification, making it the exception.

References: Maryland Insurance Article, § 15-201; MIA underwriting standards.

NEW QUESTION # 22

An insurance producer's license may be suspended or revoked by:

- A. The Attorney General
- **B. The Maryland Insurance Administration**
- C. The continuing education course provider
- D. The appointing insurer

Answer: B

Explanation:

Comprehensive and Detailed Step by Step Explanation: The Maryland Insurance Administration (MIA) has sole authority to regulate, suspend, or revoke an insurance producer's license for violations of state insurance laws:

Maryland Insurance Administration (C): Correct. The MIA oversees producer licensing, compliance, and disciplinary actions.

Appointing insurer (A): Can terminate an appointment but cannot revoke a license.

Continuing education provider (B): Only offers training and has no regulatory authority.

Attorney General (D): Handles legal actions but does not directly manage licensing.

References: Maryland Insurance Article §10-126, Producer Regulation Guidelines, COMAR 31.03.13.

NEW QUESTION # 23

An insured incurs a covered accident and health insurance loss on May 30, which is submitted to the insurer on June 8. If the insured terminated coverage on June 1, the insurer:

- A. Can refuse to pay the claim because coverage has been terminated
- B. Can refuse to pay the claim under the pre-existing conditions exclusion
- C. Must pay the claim upon receipt of the proof of loss
- D. Must pay the claim within one year of termination of coverage

Answer: C

Explanation:

A loss on May 30, while covered (Insurance Article, § 15-201), obligates the insurer to pay upon proof, despite termination on June 1. Termination or pre-existing exclusions don't negate prior coverage, and no one- year rule applies.

References: Maryland Insurance Article, § 15-201; MIA claims rules.

NEW QUESTION # 24

All of the following are examples of unfair claims settlement practices EXCEPT:

- A. Refusing arbitrarily and unreasonably to pay claims
- B. Denying unsubstantiated claims on a timely basis
- C. Failing to promptly provide a reason for a claim denial
- D. Misrepresenting pertinent facts of coverage

Answer: B

Explanation:

Unfair practices (Insurance Article, § 27-303) include delays, arbitrary refusals, and misrepresentation.

Denying unsubstantiated claims promptly is fair and expected, not an unfair practice.

References: Maryland Insurance Article, § 27-303; MIA claims regulations.

NEW QUESTION # 25

.....

As we all know that the better the products are, the more professional the according services are. So are our Accident-and-Health-or-Sickness-Producer exam braindumps!
