Oracle Business Intelligence Foundation Suite 11g Essentials valid study guide & 1Z1-591 torrent vce & Oracle Business Intelligence Foundation Suite 11g Essentials dumps pdf

Our company is open-handed to offer benefits at intervals, with 1Z1-591 learning questions priced with reasonable prices. Almost all kinds of working staffs can afford our price, even the students. And we will give some discounts from time to time. Although our 1Z1-591 practice materials are reasonably available, their value is in-estimate. We offer hearty help for your wish of certificate of the 1Z1-591 exam.

Oracle Business Intelligence Foundation Suite 11g Essentials Sample Questions (Q51-Q56):

NEW QUESTION # 51

Which option describes how OBIEE natively integrates with HFM?

- A. Through Essbase connectivity
- B. Direct relational database access
- C. OBIEE does not support HFM integration
- **D. Through EPM Analytic Data Model (ADM) connectivity**

Answer: D

Explanation:

Explanation/Reference:

BI EE uses the ADM driver to extract the data from HFM.

Note: HFM (Hyperion Financial Management)

Example:

IEE connects to HFM through JavaHost. So, the setup for configuring the connectivity is to basically make the EPM environment variables available for access to BI EE. Before making the changes, there are a couple of things to be aware of

1. Ensure that DCOM is enabled on the BI Server machine. This is needed for HFM client to work/connect properly with HFM Server.
2. Ensure that HFM Client is installed.

The above assumes EPM 11.1.2.x version. If you are on Hyperion 9.3.3, then you need to have the ADM drivers installed manually. All of this is documented clearly. So, rather than re-iterating that i will just point to the link here. Ensure that you follow all the steps mentioned in the docs else you will have issues in the connectivity. Once all the pre-requisite steps are done, we start off with the metadata import process.

NEW QUESTION # 52

Use of the Enterprise Install option is recommended for which three options?

- A. Evaluation of end user functionality
- B. Single users working on a single computer
- C. Scale out for High Availability and Failover
- D. Support for high security requirements
- E. Multiple instances on a single computer

Answer: C,D,E

Explanation:

Enterprise Install: This installation type assumes some familiarity with Oracle Business Intelligence. All software components are downloaded onto one computer. You can accept the default configuration settings or use your own. You use this installation type when you have an established Oracle WebLogic domain, and you want to extend it to the Oracle Business Intelligence application. This install option is typically used for more advanced deployments with multiple users, such as to scale out a deployment on additional computers.

NEW QUESTION # 53

Pre Deployment sign-off is a milestone for a OBIEE implementation and is based on successful completion of certain tasks. Which option is not one of them?

- A. Test Environment
- B. Data Validation / Verification
- C. System Testing
- D. Performance Tuning
- E. Project initiation and resourcing

Answer: E

NEW QUESTION # 54

A user's BI Home page provides one-click access to which three options?

- A. Catalog search functionality
- B. Create new content

- C. Dashboard layout editor
- D. Oracle BI online documentation
- E. Business model metadata

Answer: A,B,D

Explanation:

Explanation/Reference:

See BI Home Page screenshot below:

Note: The BI Home page contains the BI content catalog. Fusion Apps will use OBIEE web catalog to store all shipped reporting and analytics content.

From the BI home page users can browse and view the entire BI content. The BI catalog folder structure will match the Fusion Apps main menu structure. Folder structure would be content driven not technology driven which would enable ease of navigation for fusion Apps users.

Following content will be available under the BI catalog structure:

BI Publisher Reports (regardless of data source)

OTBI reports & dashboards

OBIA dashboards & scorecards

Financial Reporting

Also, users can do some additional actions from the BI Home page like: Access personal and shared reports, View/ edit BI publisher report schedules, Launch BI tools for advanced actions and create new reports with report wizard.

New reports created can be saved in BI catalog and added as embedded content within Fusion applications screens or links added to reporting pane. This enables users to extend the prebuilt embedded analytics within Fusion Applications.

NEW QUESTION # 55

The Time Dimension hierarchy is a good example of a _____.

- A. Level-based Time Dimension hierarchy
- B. Ragged Hierarchy
- C. Value-based Hierarchy
- D. Skip Level Hierarchy

Answer: A

Explanation:

Explanation

Level-based Hierarchy

Level-based hierarchy is the first type of hierarchy in OBIEE.

Consists of an ordered set of two or more levels. For example, a Time hierarchy might have three levels for Year, Quarter, and Month. Level-based hierarchies can also contain parent-child relationships.

Dimension hierarchy levels allow :

- * to perform aggregate navigation,

- * to configure level-based measure calculations,

- * users from Dashboard and Answers to drill down from one parent to a child level.

Special type of level-based dimension are supported:

- * Unbalanced (or ragged) and Skip-level hierarchy

- * time dimension to provides special functionality for modeling time series data.

NEW QUESTION # 56

.....

Holding a certification in a certain field definitely shows that one have a good command of the 1Z1-591 knowledge and professional skills in the related field. However, it is universally accepted that the majority of the candidates for the 1Z1-591 exam are those who do not have enough spare time and are not able to study in the most efficient way. You can just feel rest assured that our 1Z1-591 Exam Questions can help you pass the exam in a short time. With our 1Z1-591 study guide for 20 to 30 hours, you can pass the exam confidently.

Latest 1Z1-591 Test Camp: <https://www.torrentexam.com/1z1-591-exam-latest-torrent.html>

In order to achieve this goal, we constantly improve our 1Z1-591 latest training material, allowing you to rest assured to use our 1Z1-591 study material pdf, Don't worry if any new information comes out after your purchase of our 1Z1-591 study guide, Quick download the 1Z1-591 exam prep study after payment, Oracle Reliable 1Z1-591 Test Tips We promise you will have brand experience that you never got before.

To do this, I could have included a bit of instructive text that said 1Z1-591 Download Fee something like, Sorted from newest to oldest, but this would require more reading than most people bother to do in a Web application.
