Where would you go to opt in for push updates, or to update the schedule of when an update will be pushed for FinancialForce applications?

- A. PSA Administration
- B. Foundations Admin App
- **C. System Administrator Workspace**

Answer: C

Explanation:

To opt in for push updates or adjust the schedule of updates for FinancialForce applications:

* Go to System Administrator Workspace in the FinancialForce Community.

* Check for push upgrade schedules- FinancialForce typically pushes major releases twice a year (Spring and Fall) and minor service packs periodically.

* Modify settings if needed to control when updates are received.

* Option A (PSA Administration) is incorrect because it handles system configurations but not update scheduling.

* Option C (Foundations Admin App) is incorrect as it focuses on system-wide configurations, not update schedules.
