Test CAP Objectives Pdf & CAP Free Dumps

Sample cognitive, affective, and psychomotor objectives

Cognitive Objective:

- Students will identify and describe the setting of Chapter I, including both physical and emotional aspects.

- Students will analyze the main character, Alice, by describing her appearance, behavior, and thoughts as revealed in the chapter.

- Students will explain how the setting and Alice's character contribute to the tone or mood established in Chapter I.

- Students will identify key literary elements, such as imagery, foreshadowing, or symbolism, and provide examples from the text.

- Students will make connections between the setting, character analysis, and literary elements to deepen their understanding of the story's tone and key literary elements.

Affective Objective:

- Students will develop an appreciation for the imaginative and whimsical nature of "Alice's Adventures in Wonderland."

- Students will demonstrate curiosity and engagement while exploring the setting, characters, and language of Chapter I.

- Students will demonstrate empathy by considering Alice's experiences and reactions in the story.

- Students will express their personal interpretations and emotional responses to the tone established in Chapter I.

- Students will develop a sense of wonder and intrigue towards the story and its literary elements.

Psychomotor Objective:

- Students will annotate the text by underlining or highlighting interesting or significant details as they read Chapter I.

- Students will complete graphic organizers for setting analysis and character analysis, organizing their thoughts and evidence in a structured format.

- Students will participate in whole-class and small-group discussions, actively contributing their ideas, observations, and interpretations.
