EXIN PRINCE2 7 Foundation written Exam Sample Questions (Q242-Q247):

NEW QUESTION # 242

Which is a purpose of the Risk theme?

- A. Establish mechanisms to manage risks at the corporate or programme level of an organization
- **B. Establish a cost-effective procedure to identify, assess and control uncertainty**
- C. Establish mechanisms to control any unacceptable deviations from plan
- D. Establish a procedure to ensure every change is agreed by the relevant authority before it takes place

Answer: B

Explanation:

The purpose of the Risk theme in PRINCE2 is to establish a cost-effective procedure to identify, assess, and control the uncertainties or risks that can affect the achievement of project objectives. This involves understanding how risks can impact the project and managing them proactively to ensure project success.

NEW QUESTION # 243

What is a purpose of the communication management approach?

- A. To describe the techniques required to make the project product acceptable to stakeholders
- B. To describe the target organizational state and how the business will move to that new state
- C. To describe the processes used to engage with stakeholders in identifying uncertainties
- **D. To define how the project team intends to obtain responses from stakeholders**

Answer: D

Explanation:

The purpose of the Communication Management Approach is to define how the project team will engage with and manage communications with stakeholders throughout the project. This includes planning the means and frequency of communication to ensure all stakeholders are appropriately informed and can provide necessary feedback on project progress and issues. NEW QUESTION # 244

Which statement about applying the 'tailor to suit the project' principle is CORRECT?

- A. The tailoring of PRINCE2 is MOST appropriate for agile projects
- B. A project which is part of a programme should NOT tailor PRINCE2
- C. A technically complex project should NOT tailor PRINCE2
- **D. PRINCE2 can be tailored to be used with any type of project**

Answer: D

Explanation:

The principle of 'tailor to suit the project' in PRINCE2 emphasizes that the methodology should be adapted to fit the project's environment, size, complexity, and specific requirements, rather than applying it uniformly.

This flexibility ensures that PRINCE2 can be tailored to any type of project, whether small or large, simple or complex, in any industry.
