- D. A comprehensive technical proposal

Answer: C

Explanation:
An Invitation for Bid (IFB) is a procurement method used when requirements are clearly defined and price is the main selection criterion. It typically requires bidders to submit pricing in a specific format so that proposals can be directly compared.

A, B, and C relate more to Requests for Proposals (RFPs), where qualitative evaluation (e.g., technical capability) plays a bigger role.

A (Image device) and B/C (Lens or image format) influence compatibility and image quality, but do not directly affect magnification.
