## ASIS Physical Security Professional Exam Sample Questions (Q40-Q45):

### NEW QUESTION # 40

Administrative workload is substantially decreased when which service is employed?

- A. Contract
- B. Proprietary
- C. Union
- D. Security

Answer: A

Explanation:

When an organization employs contract security services, the administrative workload related to hiring, payroll, training, and scheduling shifts to the service provider. This is a significant benefit for companies looking to reduce internal administrative burdens and focus on core operations.

Proprietary (C) systems require the organization to manage all aspects of employment.

Union (A) and Security (B) are unrelated to the comparison of administrative workload between contract and proprietary services.

#### NEW QUESTION # 41

\_\_\_\_\_ builds on confusion when two or more people take advantage of their positions and the confusion to steal.

- A. Invoicing
- B. Accountability
- C. Proliferation
- **D. Conspiracy**

**Answer: D**

#### NEW QUESTION # 42

Private sector will become increasingly involve in crime prevention; public law enforcement will then be free to concentrate more heavily on violent crimes and crime response.

- **A. True**
- B. False

**Answer: A**

Explanation:

This statement reflects a well-recognized trend in modern security models. As public law enforcement agencies face increasing demands and limited resources, private sector security is expected to play a larger role in crime prevention, particularly in areas like property protection, corporate investigations, and access control. This shift allows public police to focus more on violent crime and emergency response.
