NEW QUESTION # 79
What is one way a servant leader can support team members in decision-making?

- A. Identify solutions to problems the team surfaces
- B. Give each team member the opportunity to contribute
- C. Support teams in affinity mapping their concerns
- D. Perform regular retrospectives on behalf of the team

Answer: B

Explanation:
According to the SAFe 6 Scrum Master documentation, one of the ways a servant leader can support team members in decision-making is by giving each team member the opportunity to contribute. This means that the servant leader encourages and facilitates the participation of all team members in the decision-making process, ensuring that everyone's voice is heard and valued. By giving each team member the opportunity to contribute, the servant leader fosters a culture of collaboration, empowerment, and trust, as well as increases the quality and buy-in of the decisions.
