PRINCE2 Agile Foundation Sample Questions (Q126-Q131):

NEW QUESTION # 126

Which statement about the 'keep teams stable' target is CORRECT?

- A. It will lead to a lower cost of ownership
- B. It is required in order to allow the team to self-organize
- C. It results in the earth delivery of a minimum viable product
- D. It ensures that the level of quality is protected

Answer: B

NEW QUESTION # 127

Which organizational level is responsible for day-to-day management and decision making within the constraints established by the project manager?

- A. Commissioning
- B. Managing
- C. Delivering
- D. Directing

Answer: C

Explanation:

The Delivering level is responsible for the day-to-day management and decision-making within the constraints set by the project manager. Delivering teams carry out the actual work to create the project products and manage their activities under the project's governance framework. The Project Manager manages the overall project, while directing sets the strategic direction and commissioning authorizes initiation.

This separation ensures clear responsibilities and empowers the delivery teams to self-manage within defined boundaries.
