**NEW QUESTION # 24**

You are using the Responsive Self Service Procurement application and you want to review the list of current approvers of a requisition pending approval, but these are not displayed.

Which two could be reasons for the approvals not being displayed?

- A. There are errors in retrieving approval details, or there could be any other infrastructure issues.
- B. Only the approvers can view the list of approvers.
- C. The approvals task flow has been initiated.
- D. The requisition is currently under edit by an approver.

**Answer: A,C**

Explanation:

The Responsive Self Service Procurement application allows you to view the list of current approvers of a requisition that's pending approval. However, there are some scenarios where the approvals are not displayed.

One scenario is when the approvals task flow has been initiated, but not yet completed. In this case, the approvals are still being processed and the list of approvers is not yet available. Another scenario is when there are errors in retrieving approval details, or there could be any other infrastructure issues that prevent the display of approvals. In this case, you may see a message that says "Unable to retrieve approval details" or "Approval details are not available".
