

What Will be the Result of Preparing with Supermicro SDLCSA Practice Questions?

P.S. Free 2025 Supermicro SDLCSA dumps are available on Google Drive shared by PassTorrent: https://drive.google.com/open?id=1C3D6UTwcJ0hAK3EdZiberrR9d5yj_kEq

We are so popular for that we have a detailed and perfect customer service system. Firstly, only 5 to 10 minutes after the customer's online payment of SDLCSA actual exam is successful, you can receive an email from the customer service and immediately start learning. We also have dedicated staff to check and update SDLCSA Exam Questions every day, so you can get the latest information of SDLCSA exam materials whenever you buy it. Secondly, we provide 24-hour round-the-clock service to customers. We can solve any problems about SDLCSA study materials for you whenever and wherever you need it.

You can directly refer our Supermicro SDLCSA study materials to prepare the exam. Once the newest test syllabus is issued by the official, our experts will quickly make a detailed summary about all knowledge points of the real Supermicro SDLCSA Exam in the shortest time. All in all, our SDLCSA exam quiz will help you grasp all knowledge points.

SDLCSA valid exam answers & SDLCSA practice engine & SDLCSA training pdf

The real and updated PassTorrent SDLCSA exam dumps file, desktop practice test software, and web-based practice test software are ready for download. Take the best decision of your professional career and enroll in the Supermicro Direct Liquid Cooling Service Associate (SDLCSA) Exam (SDLCSA) certification exam and download PassTorrent Supermicro Direct Liquid Cooling Service Associate (SDLCSA) Exam (SDLCSA) exam questions and starts preparing today.

Supermicro Direct Liquid Cooling Service Associate (SDLCSA) Exam Sample Questions (Q34-Q39):

NEW QUESTION # 34

Before removing the LPIO board from the PCIe tray, what other component needs to be removed first?

- A. Motherboard tray
- B. Air shroud
- C. GPU tray
- D. Metal bracket

Answer: D

Explanation:

The LPIO (Low-Profile IO) board in Supermicro systems like the SYS-421GE-TNHR2-LCC, part of the PCIe tray, is typically secured by a metal bracket that must be removed first. This bracket holds the LPIO board and associated cables (e.g., BMC cable) in place, as seen in similar designs (e.g., SYS-420GP-TNAR). Removing it involves unscrewing (often 2 screws) and lifting it off, granting access to the LPIO board. A (GPU tray) is a separate assembly, C (motherboard tray) is unrelated to the PCIe tray's LPIO, and D (air shroud) covers components but doesn't secure the board. Supermicro's DLC systems emphasize modular access, making B the correct step. References: Supermicro PCIe tray service guides, DLC system IO component layouts.

NEW QUESTION # 35

In the video, how many AOC NIC cards are located on the LPIO board?

- A. 0
- B. 1

- C. 2
- D. 3

Answer: B

NEW QUESTION # 36

Which type of Liquid Cooling is discussed in this training?

- A. Rear Door Heat Exchanger (RDHx)
- **B. Direct to Chip (DLC)**
- C. Evaporative Cooling
- D. Immersion Cooling (ILC)

Answer: B

Explanation:

The training focuses on Supermicro's Direct to Chip (DLC) liquid cooling, as indicated by the context of SYS-421GE-TNHR2-LCC and Supermicro's expertise in DLC solutions (e.g., cold plates, CDUs up to 100kW). DLC circulates coolant directly to CPUs/GPUs, reducing OPEX by 40% and supporting high-density racks. A (RDHx) cools via rear doors, B (Evaporative) uses evaporation, and C (ILC) submerges servers- none match Supermicro's DLC emphasis here. D is the verified type. References: Supermicro DLC whitepapers, SYS-421GE-TNHR2-LCC cooling specs.

NEW QUESTION # 37

What part on the motherboard tray do you need to remove first, in order to remove the air shroud?

- **A. There is no support bar on the motherboard tray that prevents you from removing the air shroud**
- B. The support bar at the back of the motherboard tray
- C. The support bar in the middle of the motherboard tray
- D. The support bar at the front of the motherboard tray

Answer: A

Explanation:

In Supermicro systems like the SYS-421GE-TNHR2-LCC, the air shroud on the motherboard tray is typically a lift-off component not obstructed by a support bar. Unlike some designs with structural bars, Supermicro's high-end servers (per manuals like SYS-420GP-TNAR) often feature open tray layouts for easy access, especially in DLC configurations where liquid cooling reduces reliance on complex air channels. Options A, B, and C assume a bar exists and must be removed, but no such requirement is standard. The shroud lifts off after screw removal, making D correct. Supermicro's DLC design simplifies maintenance, supporting this conclusion. References: Supermicro motherboard tray documentation, DLC system accessibility features.

NEW QUESTION # 38

What are the full steps and proper order for removing the fan board from the motherboard tray?

- A. Disconnect the power supply from all the fans > Pull the fan board straight up and out of the tray
- **B. Disconnect the power supply from all the fans > Pull up on the blue levers on each side of the fan board to unlock it > Pull the fan board straight up and out of the tray**
- C. Pull the fan board straight up and out of the tray
- D. Pull up on the blue levers on each side of the fan board to unlock it > Pull the fan board straight up and out of the tray

Answer: B

Explanation:

The fan board in Supermicro systems, including the SYS-421GE-TNHR2-LCC with DLC, manages cooling (even in hybrid air/liquid setups). The removal process, per Supermicro's service manuals, involves:

* Disconnect the power supply from all the fans: This ensures safety and prevents damage, a critical step in DLC systems where fans may supplement liquid cooling.

* Pull up on the blue levers on each side of the fan board to unlock it: Blue levers are a common Supermicro design feature for

releasing components securely.

* Pull the fan board straight up and out of the tray: Once unlocked, the board is lifted free. Option B includes all necessary steps. A skips disconnection and unlocking, C omits the levers, and D misses power disconnection, risking damage. Supermicro's DLC solutions emphasize safe maintenance, supporting B as the correct procedure. References: Supermicro motherboard tray service guides, DLC system maintenance protocols.

NEW QUESTION # 39

.....

If you want to pass the exam smoothly buying our Supermicro Direct Liquid Cooling Service Associate (SDLCSA) Exam guide dump is your ideal choice. They can help you learn efficiently, save your time and energy and let you master the useful information. Our passing rate of SDLCSA study tool is very high and you needn't worry that you have spent money and energy on them but you gain nothing. We provide the great service after you purchase our SDLCSA cram training materials and you can contact our customer service at any time during one day. It is a pity if you don't buy our SDLCSA study tool to prepare for the test Supermicro certification.

Reliable SDLCSA Test Vce: <https://www.passtorrent.com/SDLCSA-latest-torrent.html>

In order to provide the most effective SDLCSA exam materials which cover all of the current events for our customers, a group of experts in our company always keep an close eye on the changes of the SDLCSA exam even the smallest one, and then will compile all of the new key points as well as the latest types of exam questions into the new version of our SDLCSA practice test, and you can get the latest version of our study materials for free during the whole year, PassTorrent Reliable SDLCSA Test Vce is committed to ensure that your privacy is protected.

Setting up some macros to automatically enter the information can be a great time saver, Most Web stores, including Tronix, accept them, In order to provide the most effective SDLCSA exam materials which cover all of the current events for our customers, a group of experts in our company always keep an close eye on the changes of the SDLCSA Exam even the smallest one, and then will compile all of the new key points as well as the latest types of exam questions into the new version of our SDLCSA practice test, and you can get the latest version of our study materials for free during the whole year.

Quick Tips for Exam Success using Supermicro SDLCSA Questions

PassTorrent is committed to ensure that your privacy is protected, SDLCSA Supermicro Direct Liquid Cooling Service Associate (SDLCSA) Exam APP on-line test engine can be installed in all operate systems, One year free update for more convenience.

If there is any update of SDLCSA free download pdf, we will notify you by mail.
